9. In the event that you are asked to remain home for the 21 day monitoring period, please let us know of any anticipated financial, social service, and educational needs (e.g., loss of wages, paying for food and shelter, presence/absence of someone to deliver food and other necessities, children in school, laundry, etc.)

****At conclusion of screening interview, tell traveler to expect once daily calls from the local health department for fever/symptom monitoring. However, emphasize the need to notify local health department any time fever/symptoms are noted rather than waiting for the next daily monitoring call.****
