

# WHAT YOU SHOULD WRITE DOWN

## WHERE TO GO IN AN EMERGENCY

Write down where your family spends the most time: work, school, daycare, the homes of friends and families. Workplaces, schools and daycare centers should have emergency plans. Find out what they are and write them down. Find out what your town will do in case of an emergency by calling the town hall. Write down that plan. Local radio and television stations can give you important information during an emergency. Write down at least three local radio and televisions stations.
