Drinking Water Section

DWS Circular Letter# 2017-12

TO: Public Water Systems monitoring under UCMR4

FROM: Lori Mathieu, Public Health Section Chief, Drinking Water Section 

DATE: October 19, 2017

SUBJECT: The Unregulated Contaminant Monitoring Rule (UCMR 4) training webinar for the Safe Drinking Water Accession and Review System (SDWARS)

EPA will host a webinar on November 6, 2017 to provide step-by-step instructions on how to use SDWARS, the electronic reporting system for UCMR 4.

Along with a general introduction to the UCMR program, EPA will address how public water systems will:

- Add contacts and nominate users
- Edit schedules
- Add and edit inventory
- Input additional data elements
- Review analytical results

The Department of Public Health (DPH) Drinking Water Section (DWS) encourages all public water systems (PWS) that are required to monitor under the coming UCMR4 to attend and listen in to this important webinar. PWS must register at: <https://attendee.gotowebinar.com/register/7373883911473632259>. If the above link does not work or is blocked, try copying and pasting the entire URL into the address bar of your web browser.

Please contact Sachin Patel of this Office at 860-509-7333 if you have any questions about this webinar.
