RE: **DRINKING WATER PROJECTS FUNDING AVAILABLE** - Drinking Water
State Revolving Fund (DWSRF) – **CALL FOR PROJECTS** for State Fiscal
Year 2021 Financing

The Department of Public Health's Drinking Water Section (DWS) is announcing its call for eligible drinking water projects for potential funding through the Drinking Water State Revolving Fund (DWSRF) during State Fiscal Year (SFY) 2020. The Call for Projects notice is available on the [DPH website](#) with a deadline of **March 31, 2020** to submit Eligibility Applications for consideration for the SFY 2021 Project Priority List (PPL). The PPL details the projects that DPH is expecting to commit the available DWSRF funds during SFY 2021. Applications received after that deadline will be assigned appropriate priority points according to the DWSF [Priority Ranking System](#) and periodically (expected to be done quarterly) added to the DPH's Comprehensive Project List (CPL). If you have an eligible drinking water construction project that will be ready to proceed during the period of July 1, 2020 through June 30, 2021 you are strongly encouraged to submit your application as early as possible but no later than March 31.

If you have any questions on these changes or wish to learn more about the DWSRF Program please do not hesitate to contact Cameron Walden from our DWSRF Program at (860) 509-7333.
