#### DWS Circular Letter #2019-03

To: Public Water Systems that prepare water supply plans pursuant to CT General Statutes Section 25-32d, Local Directors of Health

From: Lori J. Mathieu, Public Health Section Chief, Drinking Water Section 

Date: February 4, 2019

Subject: Reminder: Requirement to Update an Evaluation of Source Water Protection Measures and Request to Sample Drinking Water Sources for Perfluoroalkyl Substances (PFAS)

This Circular Letter is intended to remind all Public water Systems that prepare water supply plans pursuant to CT General Statutes section 25-32d that the update to the inventory of land use activities required under RCSA section 25-32d-3(i)(3) required by way of [Circular Letter 2018-20](#) is due to be submitted to the Drinking Water Section (DWS) by March 31, 2019.

The CT Section of the American Water Works Association (CT Section) Source Protection Committee has developed a spreadsheet that public water systems can adapt and use to complete this reporting requirement. The form can be found attached to this Circular Letter, on the DWS's [PFAS web page](#) and will be available soon on the CT Section's webpage. Submissions should be emailed to [DPH.SourceProtection@ct.gov](mailto:DPH.SourceProtection@ct.gov). If you have any questions, please contact Pat Bisacky at 860-509-7333 or [Patricia.Bisacky@ct.gov](mailto:Patricia.Bisacky@ct.gov).
