Subject: Webinar Explaining the Water Utility Coordinating Committee Process

The Connecticut Department of Public Health Drinking Water Section (DWS) will be conducting a webinar on August 25, 2016 at 1pm, to discuss steps taken to date in order to convene the three Water Utility Coordinating Committees (WUCCs).

The Western, Central Corridor, and Eastern WUCCs have been convened on June 14, 2016, June 15, 2016 and June 17, 2016 respectively. This webinar will cover the history and implementation of Conn. Gen. Stat §§ 25-33f, 25-33g and 25-33h. Other topics to be discussed include the data collection process, the contract and role of Milone and MacBroom to facilitate the process, in addition to the responsibilities each WUCC is mandated to complete over the next 24 months.

We would encourage those involved or interested in the WUCC process to register for this informational webinar. For more information, please visit the DWS Water Utility Coordinating Committee website at www.ct.gov/dph/WUCC.
