APPLICATION: CERTIFICATION EXAMINATION – DISTRIBUTION SYSTEM OPERATOR

**Demonstrate Educational Training Beyond High School
in a Field Applicable to Distribution Systems**

This page is only to be completed by the applicant where the applicant has completed educational training beyond high school, in a field applicable to distribution systems, and where the applicant requests this training be used as a substitution for part of the experience requirement and where the applicant is applying for a Distribution System Operator Class II, or III Examination. A minimum of 1 year of distribution operational experience is required.

Note the summary of the required experience and experience substitution requirements for applicants of the Distribution System Class II, and III Operator Examinations in the instructions

Earned college credits (grade C or better) and training courses in subject matters related to distribution systems may be equated to distribution system experience. Note the following equivalencies:

- 15 training hours is equivalent to 1 college credit hour
- 15 college credits is equivalent to 225 training hours (TCH) or
- 15 college credits is equivalent to ½ year of experience
- 450 training hours (2 semesters) is equivalent to 1 year of experience

List the educational training beyond high school (i.e. individual college courses, college degrees, certificates, training courses, etc.), in a field applicable to distribution systems, that the applicant request to be applied towards meeting the length of experience requirement for distribution system operator certification.

List any applicable training beyond high school completed by the applicant:

Dates	Training Provider/College	TCHs, CEUs, College Credit	Course Name, College Degree, Certificate or Training Course

For individual college or training course work, listed above, the applicant must include copies of transcripts or certificates (including course descriptions) along with this application. For earned college degrees a copy of the diploma or transcript, which documents the earned degree, must be submitted with the application.
