Subject: Webinar Explaining the Exclusive Service Area Declaration Process

The Connecticut Department of Public Health Drinking Water Section (DWS) will be conducting a webinar on November 29, 2016 at 10:00 a.m. to discuss the regulatory process of declaring Exclusive Service Areas (ESA). An ESA is a geographic area where a single entity has the responsibility for public water. This is an important process that all municipalities and Water Utility Coordinating Committee (WUCC) members should understand. Municipalities, in particular, should be aware that the ESA designation process has begun and water utilities will be making claims in all three public water supply management areas.

We would encourage those involved or interested in the WUCC process to register for this informational webinar at [https://attendee.gotowebinar.com/register/2477998321480561412](https://attendee.gotowebinar.com/register/2477998321480561412). For more information on ESAs, and Water Utility Coordinating Committees, please visit our website at [www.ct.gov/dph/WUCC](http://www.ct.gov/dph/WUCC).
