

**Connecticut Drinking Water State Revolving Fund
Emergency Power Generator Program**

**Certification of Compliance
Use of American Iron and Steel (AIS)
(Section 436 of P.L. 113-76 – Consolidated Appropriations Act, 2014)**

Public Water System Name: _____

Public Water System ID#: _____

Town: _____

DWSRF Project #: _____

DWS Project#: _____

DWSRF Loan Agreement #: _____ (if available)

The contractor shall provide an itemized list of all iron and steel products used in the project that comply with the Use of American Iron and Steel provision in P.L. 113-76. Refer to our [AIS website](#) for more information, which also includes links to the [website](#) and [guidance from the Environmental Protection Agency](#) (EPA) for information on the products that must comply with this provision. Use the table (#1) below to tally all of these products used for this project that meet this requirement.

TABLE #1 – Include material costs only (including delivery & applicable tax); do not include any labor or installation costs.

Date of Purchase	Product Description	Manufacturer Name and Address	Part Number	Qty.	Unit Price	Total Price

**Connecticut Drinking Water State Revolving Fund
Emergency Power Generator Program**

The contractor shall also provide an itemized list of any Iron or Steel products used in this project that **do not** meet this requirement or for which documentation is not available. The total amount of these products cannot exceed 5% of the total materials cost for the project and an individual item cannot exceed 1% of the total cost of materials, as defined in the [EPA De Minimis national waiver](#).

Use the table (#2) below to tally all of the products used for this project that **do not** meet the Use of American Iron and Steel provision.

TABLE #2 - Include material costs only (including delivery & applicable tax); do not include any labor or installation costs.

NOTE: An individual item on this list cannot exceed 1% of the total materials costs.

Date of Purchase	Product Description	Manufacturer Name and Address (if available)	Part Number (if available)	Qty.	Unit Price	Total Price
This total cannot exceed 5% of the total material costs.					Total Table #2:	
					Total Material Cost:	
					The total material cost includes all materials, not just iron and steel.	
					% of materials that do not meet the provision (Total Table #2 ÷ Total Material Cost) x 100
