

## LEGAL NOTICE

On October 30, 2020, pursuant to section 19a-37f of the Connecticut General Statutes, the Department of Public Health ("DPH") posted on its Internet web site a report that includes: (1) Resources, activities and costs that support DPH's ability to maintain primacy under the federal Safe Drinking Water Act, 42 USC 300f, et seq., as amended from time to time, in the previous fiscal year; (2) the number of full-time equivalent positions that performed the required functions to maintain primacy in the previous fiscal year; and (3) quality improvement strategies DPH has deployed to streamline operations to make efficient and effective use of staff and resources. A copy of the report is available on the DPH Internet web site at <https://portal.ct.gov/DPH/Drinking-Water/DWS/Safe-Drinking-Water-Primacy-Assessment>. In addition, copies of the report may be obtained from DPH by writing Justin Milardo, DPH Drinking Water Section, 410 Capitol Avenue, MS#12DWS, Hartford, CT 06134 ("DPH Address"), or by calling (860) 509-7333.

The Commissioner of DPH hereby notifies the public of a comment period of thirty days following the posting of such report. Persons wishing to provide comments regarding the report are invited to do so in writing to: the DPH Address or to [DPH.Fee@ct.gov](mailto:DPH.Fee@ct.gov). At the conclusion of such public comment period, the Commissioner of DPH is required to submit the report and summary of comments received to the Governor and the public health committee of the General Assembly.
