Alison,

In follow up to your last email to me on the Rainbow Springs abandonment proceeding - my clients wish to keep the site walk/inspection scheduled as is for Monday March 23rd. They ask, however, that the hearings be put over 30 days. Can they be so accommodated?

Dear Attorney Mulholland,

Thank you for your call regarding this matter. Please put your request for continuance (and/or changed site visit time/date) in this case in writing, to this email, cc'd to Agnieszka Salek, who will be handling water correspondence after I depart the Agency effective March 20, 2015. If you are intending to represent your client in this proceeding, please submit an appearance to this office.

Thanks so much,  
Alison

Alison,

Robert Wittenzellner will be there for the system site visit.  
It is a tiny system - he will meet everyone there on site.
