Mr. Joe Brennan, CBIA
Mr. Tony Sheridan, Chamber of Commerce Eastern CT
Mr. Robert Pinto, JVP Building

Dear Public Water System Stakeholders:

The Department of Public Health (DPH) would like to invite you to attend meetings on September 20, 2018 and October 4, 2018 to discuss the safe drinking water primacy assessment methodology and gather your thoughts. Please join us both days at 2:00 p.m. at the Connecticut Department of Public Health Laboratory located at 395 West Street in Rocky Hill, Connecticut. If you are unable to attend the meeting in-person, but would like to contribute please dial 866-646-1912 and enter passcode 54772602.

Pursuant to Public Act 17-2 Sec. 677, the Commissioner of Public Health must develop a methodology in consultation with the Secretary of the Office of Policy and Management and representatives of water companies. The DPH will be holding these meetings to collect feedback regarding the future methodology for a safe drinking water primacy assessment on community, non-transient non-community, and transient non-community public water systems. Please feel free to call me at 860-509-7333 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Lori J. Mathieu".

Lori J. Mathieu
Public Health Section Chief
Drinking Water Section
