DWS Circular Letter 2017-13

To: Community Public Water Systems
From: Lori Mathieu, Public Health Section Chief, Drinking Water Section
Date: October 26, 2017
Subject: Funding for Fluoridation Equipment Available for Community Water Systems

A handwritten signature in cursive script, appearing to read "L. Mathieu".

The National Association of County and City Health Officials (NACCHO), in collaboration with the Centers for Disease Control and Prevention (CDC), is pleased to offer a funding opportunity for community water systems to replace aging water fluoridation equipment or the installation of new equipment for the fluoridation of community water.

Available funding is approximately \$370,000, with funding awards ranging from \$2,000 to \$40,000. The project duration will be from December 15, 2017 to June 30, 2018.

If you have questions regarding the application and funding opportunity, contact NACCHO staff: Jen Li at jLi@naccho.org at (202) 507-4242 or Tiara Smith at tsmith@naccho.org (202) 507-4249.

Applications are due November 30, 2017 by 11:59 pm ET. Applicants are required to create a MY NACCHO account to access and submit an application.
