<b>Meeting called to order at 10:00 am</b>	<ul style="list-style-type: none"><li>The minutes of the September 2019 CEMSMAC meeting were reviewed</li></ul>	<ul style="list-style-type: none"><li>Motion and second to approve with amendment below – unanimous approval “Presentation from Joel Demers regarding the Scope of practice changes –plan to take back to services /RMAC to review and discuss.”</li></ul>
<b>DPH/OEMS Report</b>	<ul style="list-style-type: none"><li>As distributed</li><li>Announcement: Dr Begg is moving to NY hospital as new VPMA</li></ul>	<ul style="list-style-type: none"><li>CEMSMAC to draft letter of thanks for his exemplary service, and recommend formal commissioner/State recognition of Dr Begg's contributions</li></ul>
<b>Regional MAC Reports</b>	<b>Region I:</b> Dr Latham: SCT task force: meeting to work on standard SCT plan. Upcoming triage tag day - OCT 29. Hospital plans for tracking patients in discussion. Discussion on possibility of standardizing alerts for STEMI/Stroke/Sepsis/Trauma designation alerts.	<ul style="list-style-type: none"><li>Motion to consistently and formally include report from both the trauma and EMS for children representatives on a monthly basis</li></ul>

**Region II:** No report

**Region III:** Discussion about standardization of various alerts. Needle decompression protocol sent to statewide protocol Sub-Committee, Septic Shock protocol Looking to use ETCO<sub>2</sub> to help prehospital predetermination. Draft simplified for pre-hospital protocol to identify Septic patients. Feedback at meeting: sepsis alert response at hospitals is highly variable. Discussed cost of ETCO<sub>2</sub> disposables. Peter Canning update 4mg IN dosing vs 2mg – 50% reduction in vomiting and agitation. MCI debrief after Bradley accident: 1. Issues regarding communication and confirmation with hospitals and bed availability, (can we remove green counts altogether) 2. Lack of consistency with triage tag participation. 3. There should be a pre-discussed sharing of patients, multiple hospitals ready –some did not receive any.

Nasal trumpets – some have migrated and not identified.

**Region IV:** December next scheduled

**Region V:**

- V: (Blair) Dr Jacoby seeking a region 5 rep to replace Dr Begg.

**Trauma:** (Dr Gross) Ongoing research in the development of whole blood transfusion capability in the prehospital arena like MN and TX. TECC protocols with whole blood and 1:1:1 protocols.

	<b>EMS-C: (Dr Cicero)</b> Free EMS conference in March being developed. Ongoing study of pediatric champion systems vs non for outcomes
