DEPARTMENT OF PUBLIC HEALTH

Dear Applicant:

Please be advised, pursuant to Section 17a-101 of the Connecticut General Statutes (see reverse side), certain health professions regulated by the Department of Public Health are mandated to report suspected child abuse or neglect to the Department of Children and Families (DCF) Child Abuse and Neglect Hotline or a law enforcement agency.

Reports must be made within twelve hours of the moment you suspect the abuse/neglect has occurred. Suspected child maltreatment of any kind, regardless of the identity of the alleged perpetrator must be reported. The Hotline number is 1-800-842-2288 and is available on a 24 hour 7 day a week basis. A copy of the child abuse reporting laws is enclosed. The Hotline can answer questions you may have regarding these laws.

It is important that you become familiar with Connecticut's reporting laws as failure to meet reporting responsibilities may subject you to criminal prosecution and possible action against your license or certificate.

Should you have any questions regarding your licensure or certification, please contact the Department of Public Health at the number in this application.

PARAMEDICS

Sec. 20-206jj. (Formerly Sec. 19a-193). Definitions. As used in sections 20-206jj to 20-206oo, inclusive: "Paramedicine" means the carrying out of all phases of cardiopulmonary resuscitation and defibrillation, the administration of drugs and intravenous solutions under written or oral authorization from a licensed physician and the administration of controlled substances, as defined in section 21a-240, under the supervision of a physician by simultaneous communication.

Sec. 20-206kk. Practice restricted to licensed persons. Exceptions. Title protection. (a) Except as provided in subsection (c) of this section, no person shall practice paramedicine unless licensed as a paramedic pursuant to section 20-206ll.

(b) No person shall use the title "paramedic" or make use of any title, words, letters or abbreviations that may reasonably be confused with licensure as a paramedic unless licensed pursuant to section 20-206ll.

(c) No license as a paramedic shall be required of (1) a person performing services within the scope of practice for which he is licensed or certified by any agency of this state, or (2) a student, intern or trainee pursuing a course of study in paramedicine in an accredited institution of education or within an emergency medical services program approved by the commissioner, as defined in section 19a-175, provided the activities that would otherwise require a license as a paramedic are performed under supervision and constitute a part of a supervised course of study.

Sec. 20-206ll. Licensure application. Renewal. Fees. (a) The commissioner, as defined in section 19a-175, shall issue a license as a paramedic to any applicant who furnishes evidence satisfactory to the commissioner that the applicant has met the requirements of section 20-206mm. The commissioner shall develop and provide application forms. The application fee shall be seventy-five dollars.

(b) The license may be renewed annually pursuant to section 19a-88 for a fee of seventy-five dollars.

Sec. 20-206nn. Disciplinary action. Grounds. The Commissioner of Public Health may take any disciplinary action set forth in section 19a-17 against a paramedic for any of the following reasons: (1) Failure to conform to the accepted standards of the profession; (2) conviction of a felony; (3) fraud or deceit in obtaining or seeking reinstatement of a license to practice paramedicine; (4) fraud or deceit in the practice of paramedicine; (5) negligent, incompetent or wrongful conduct in professional activities; (6) physical, mental or emotional illness or disorder resulting in an inability to conform to the accepted standards of the profession; (7) alcohol or substance abuse; (8) willful falsification of entries in any hospital, patient or other health record; or (9) violation of any provision of section 20-206jj, or any regulations adopted pursuant to 20-206oo.
