**Re: H-20 Wheel Loading Details & Specifications for the GreenLeach Filter Proprietary Leaching System**

Dear Mr. Burritt:

This program has received H-20 wheel loading details and specifications for the GreenLeach Filter proprietary leaching system dated March 3, 2010. The submittal authorizes placement of the GreenLeach Filter proprietary leaching system in vehicular travel areas when installed in accordance with the submitted documentation.

This office will include the GreenLeach Filter proprietary leaching system on our list of proprietary leaching systems that have submitted H-20 load rated supporting documentation.

If you have any questions, please contact me at (860) 509-7296.

Sincerely,

A handwritten signature in blue ink, appearing to read "Matthew A. Pawlik".
