Register on CT TRAIN:

CT TRAIN course ID# 1032416

The logo for the Radon Program features the word "RADON" in large, bold, orange letters with a black radiation symbol (a circle with three black blades) integrated into the letter "O". Below "RADON" is the word "PROGRAM" in a similar bold, orange font.

The logo for "Prevent LEAD poisoning" features a stylized house outline in black. Below the house, the words "Prevent LEAD poisoning" are written in black, with "LEAD" in a larger, bold font. A blue handprint graphic is positioned to the right of the word "poisoning".
