December 13, 2006	Children's "Powerpuff Girls" Necklaces Recalled Due to Lead Poisoning Hazard	<p>The recalled necklaces are multi-colored metal pendants that hang from a black cord. The pendants are in the shape of the head of one of three "Powerpuff Girls" cartoon characters. The packaging consists of purple cardboard with the three Powerpuff Girls cartoon characters and the words "CARTOON NETWORK" and "THE POWERPUFF GIRLS" printed on both sides. The items were sold at: Carnivals, amusement parks, family entertainment centers, small discount stores nationwide and at www.rinovelty.com, from March 2003 through November 2006 for about \$1.</p>  <p>The image shows three necklaces side-by-side, each with a black cord and a metal clasp. The pendants are colorful metal pieces shaped like the heads of the Powerpuff Girls. From left to right: Blossom (red hair, pink eyes), Bubbles (green hair, green eyes), and Buttercup (yellow hair, blue eyes). Below each necklace is the label "PP-NECKL".</p>

Date	Product	Message
December 13, 2006	Lifetime Brands Inc. Recalls Lemonade Jars For Lead Exposure Hazard	<p>The recalled product is the Gemco® Lemonade Jar. The product is a six-sided glass jar with a round glass lid and a metal spigot at the bottom of the jar. The jar has a yellow and green label on the front that reads "Lemonade Jar" with a picture of two lemons. There is a sticker on the bottom that reads "imported by Gemco, Div. Lifetime Hoan Corp. Westbury, N.Y. 11590 Made in China." The metal spigot contains lead and is in direct contact with the contents of the lemonade jar. Lemonade and other beverages can cause the lead to leach from the spigot. Long-term exposure to lead in children may be associated with behavioral problems, learning disabilities, hearing problems and growth retardation.</p>
