Lead Contacts

FROM: Christine Hahn, Epidemiologist
Lead & Healthy Homes Program

DATE: June 20, 2016

SUBJECT: Far East Brokers Recalls Children's Chairs and Swings Due to Violation of Federal Lead Paint Standard

This recall involves the Leisure Ways pink butterfly themed children's camp chairs, moon chairs, and swings. Large red butterfly images and other colorful images are seen on the pink fabric. The screen-printing on the fabric of the chairs and swings contains excessive levels of lead, which is a violation of the federal lead paint standard. Consumers should immediately stop using the recalled chairs and swings and return them to the place of purchase for a full refund.

These products were sold at Weis Markets, wholesale distributors, grocery and drug stores nationwide from January 2016 through April 2016.

Questions regarding these products may be directed to Far East Brokers: 888-753-9040 or online at www.fareastbrokers.com, then click on "Product Recalls". Further information on the recall can be found on the [Consumer Product Safety Commission for Far East Brokers Recall](#) website. You may also contact the CT Department of Public Health Lead & Healthy Homes Program at 860-509-7299.
