FROM: Krista Veneziano, Program Coordinator
Lead & Healthy Homes Program

DATE: August 1, 2016

SUBJECT: Things Remembered Recalls Children's Jewelry Due to Violation of Lead Standard

On July 19, 2016, the Consumer Product Safety Commission (CPSC) issued a recall of silver-plated heart bracelets and gold-plated necklace with three charms; a pink ice cream cone, a pink crystal cupcake, and a tag engraved with the word "SWEET". Both jewelry items were sold at Things Remembered between February 2015 and June 2016. The clear surface coating on the bracelets and necklaces contain lead in excess of the allowable limit. Lead is toxic if ingested by young children and can cause adverse health issues.

This recall can be found on the CPSC website at:
<http://www.cpsc.gov/en/Recalls/2016/Things-Remembered-Recalls-Childrens-Jewelry/#remedy>

Consumers should immediately take the recalled jewelry away from children and contact Things Remembered for a full refund or replacement gift of equal value. Things Remembered can be contacted at 866-902-4438 or via email at customerservice@thingsremembered.com.

You may also contact the CT Department of Public Health Lead & Healthy Homes Program at 860-509-7299.
