

2019 -2020 Connecticut Radon Poster Contest

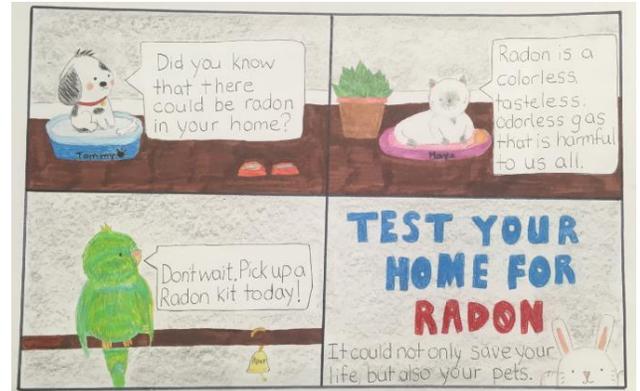

Information and Contest Rules

What is Radon?

Radon is a colorless, odorless, tasteless, and chemically inert radioactive gas. It is formed by the natural radioactive decay of uranium in rock, soil, and water. It can be found in all 50 states. Inhaling radon gas can be dangerous to you and your family. Testing your home is the only way to know if it is present.

The Goal:

Participation in our poster contest is a great platform for students and their families to learn more about radon and the health risk posed by exposure to elevated levels of radon gas.

2019 Winner: John Wallace Middle School

The posters help increase awareness of radon, which the U.S. Surgeon General has warned is the second leading cause of lung cancer after cigarette smoking and the number one cause of lung cancer in nonsmokers. The EPA estimates that radon causes about 22,000 deaths from lung cancer annually in the United States.

Eligibility Requirements

The contest is open to all students ages 9-14. They can be enrolled in any school- public, private, tribal, etc. or through any sponsoring club, such as a scouting organization or 4-H club.

Poster Topics

Choose from the following topics:

1. What is radon?
2. Where does radon come from?
3. How does radon get into our homes?
4. Radon can cause lung cancer.
5. Test your home for radon.

Awards and Recognition

Posters will be judged by the state Radon Program. The top four winners will receive prizes in the form of gift cards. In addition, thirteen posters will be selected for the annual CT Radon Poster Calendar.

Please mail posters to the CT Department of Public Health (CT DPH) as soon as they are complete. ***Entries must be received by November 10, 2019.**

Artwork must meet the following requirements:

- Use white paper. Size preferred is 12X18, but all sizes will be accepted
- No student names on front
- Include a title and topic on the front
- Fill out the Artwork Submission Form & tape on the back of the poster
- Create with markers, crayons, paint collage, pencil, photographs, or computer graphics
- Do not use copyrighted characters, logos, or brand names
- Message should be large, readable, and easily reproduced
- Use a one-inch (1") margin on all sides
