

HOW DO I KNOW THE NUMBER OF 10 DOSE MULTI-DOSE VIALS (MDV) MY UNIT CAN HOLD?

CONTACT THE CoVP AT 860 509-7929 OR DPH.IMMUNIZATIONS@CT.GOV

Please see the table below for an estimate of the number of vials that can fit in a unit. If the size of your unit is not represented here, you can estimate based on the actual size of your unit using the value for 1 cubic foot as a multiplier (_____ cubic ft X 576 vials).

Unit Size		Approximate Size (Cubic Feet)	Approximate Number of 10-Dose Vials
		1 CU FT =	576
	Small	1.5	864
	Medium	5	2880
	Large	12	6912
	X-Large	49	28224
