| I have reviewed the above             | shipping informat   | ion and I certify t | the information is | correct. |         |

A pop up will appear asking you to confirm the clinic address and delivery hours.

If you need to make any changes to the address or delivery hours, go to clinic tools to update this information. Remember, you should be updating your clinic's hours around holidays and vacations.

If all the information is correct, check the box confirming this and click next.

In the order screen, all available COVID vaccines will appear.

Enter how many trays you would like under Qty and click Add To Cart.

Pfizer (6 doses per vial): 1 Tray=195 vials=1,170doses

Moderna (10 doses per vial): 1 Tray=10 vials=100 doses

Ex. If you want 1170 doses of Pfizer you would type a 1 under Qty.

As you add vaccines, you will notice the blue cart will begin to populate with how many items you have in it.

Once you are ready to submit your order, click the Submit To VFC Program button.

A pop up will appear asking "Are you sure you want to submit this order to the VFC Program?" Click OK.

Click Cancel to go back to the main Vaccine Order Screen. This does not save your order.
