How can I access help in CT WiZ?
There are 2 ways to get help while you are in CT WiZ.

• A Help icon is located in the upper left-hand corner next to the screen name. The typical help entry will include a brief summary of the screen, a list of buttons and other navigation aids that are available, and a description of each field displayed.

• A Learn More link is located in the upper left-hand corner on most screens. Click on this link to find short “how to” videos and written instructions. This page displays in a separate window so you can watch the video, pause it, continue on your screen and then continue watching.

Clear Search

Info: To minimize the creation of duplicates and aid in the identification of existing duplicates, please initially search for your patient using the first two letters of the first and last name and the date of birth.
Click Information Icon

When you click on the Information icon, help text will pop-up in a new window.

Once you have finished, you can close the pop-up window.

Click on Learn More

Click Learn More to access help videos
A separate pop-up window displays a list of topics relevant to your access in CT WiZ. Click on a topic to view the video.
Some topics include just a video and others include both a video and written instructions.

Since Help opens in a new window, you can pause the video and continue in CT WiZ. Then return to the video for the next step until you are finished.
