Immunization Program

TO: All CVP Providers

FROM: Mick Bolduc 
Vaccine Coordinator-Connecticut Vaccine Program (CVP)

DATE: September 30, 2020

SUBJECT: Provider Re-Enrollment for 2021

The purpose of this communication is to update you about the provider re-enrollment for calendar year 2021.

Provider Re-Enrollment

In order to participate in the CVP each provider is mandated to complete and submit a provider profile and provider agreement form to the CVP on a yearly basis. However, with the CVP continuing to plan for the rollout of the distribution of a Covid-19 vaccine and the many time constraints all of you are under, we have decided to suspend the re-enrollment requirement for calendar year 2021. Providers will still be required to have all staff who handle and store vaccines to complete the following training videos/modules:

- You Call The Shots - <https://www2a.cdc.gov/nip/isd/ycts/mod1/courses/vfc/ce.asp>
- Keys To Storing Your Vaccine Supply - <https://www2.cdc.gov/vaccines/ed/shvideo/>

These must be completed no later than **November 15, 2020**. Providers must update the staff page in CT WiZ with the dates each staff member reviewed these materials as proof of completion. Four images follow to show the process for adding training information for clinic staff.

Due to the pandemic the CVP will not be conducting any in-person provider visits until further notice but we will be conducting virtual visits per CDC protocol. Our staff is mindful of the limited time you and your staff have right now, but it is vitally important and federally mandated to ensure the requirements of the CVP are being adhered to.
