Subject: CDC COCA Call: Clinical Recommendations for Adenovirus Testing and Reporting of Children with Acute Hepatitis of Unknown Etiology - May 19, 2022, 2:00 PM – 3:00 PM ET

DEPARTMENT OF PUBLIC HEALTH

CDC will be hosting a COCA Call, *Clinical Recommendations for Adenovirus Testing and Reporting of Children with Acute Hepatitis of Unknown Etiology* on May 19, 2022, 2:00 PM – 3:00 PM ET

During this [COCA Call](#), presenters will discuss the unknown etiology of patients under investigation, progress of the investigation, and how clinicians can continue to support these efforts through testing and reporting.

Kathy Kudish, DVM, MSPH

Immunization Program Manager and Deputy State Public Health Veterinarian
