

Current Phase Poster February 22, 2021

# **Connecticut is currently starting Phase 1b of the COVID-19 Vaccine Roll Out**

Only the following individuals are eligible to receive vaccine:

## **Current Phase eligibility**

### **All Phase 1a individuals *living or working in Connecticut*:**

- **Healthcare Personnel:** All paid and unpaid persons serving in healthcare settings who have the potential for direct or indirect exposure to patients of infectious materials;
- **Long-Term Care Facility Residents:** Adults who reside in facilities that provide a range of services, including medical and personal care, to persons who are unable to live independently;
- **Medical first responders:** Individuals who face risk of exposure to COVID-19 through their response to medical emergencies.

### **Select Phase 1b individuals *living or working in Connecticut*:**

- **Individuals 65-years of age and older;**
- **Residents and staff of select congregate settings:** Residential facilities that provide supportive or supervisory services to their residents and where social distancing is not possible due to shared bedrooms, shared kitchens or shared bathrooms. These facilities are either licensed by or otherwise formally affiliated with the State of Connecticut and are administered by a private non-profit or other formal entity. In Phase 1b, congregate settings do not include supported apartments, foster or family settings, college dormitories, or boarding schools.

*Teachers, municipal workers, and other frontline essential workers are not currently eligible to receive vaccine (unless they meet other eligibility stated above).*

By attending this clinic, you are attesting to meeting these eligibility requirements.

If you are not eligible in the current phase, please let us know and you can reschedule your appointment once eligible.
