TO: All Users of State Supplied Vaccine
FROM: Mick Bolduc-Vaccines For Children (VFC) Coordinator
DATE: December 6, 2010
SUBJECT: Re-Enrollment in the VFC Program

The primary purpose of this communication is to inform you of the need for all providers to re-enroll with the Vaccines For Children (VFC) program.

VFC Program Re-enrollment
The Vaccines For Children Program provides nearly $4 billion dollars worth of free vaccines to providers nationwide. In order to participate in the VFC Program each provider must complete and submit a provider profile and provider agreement form on a yearly basis. The re-enrollment process allows us to verify and update provider shipping information as well as to estimate the amount of vaccine that will need to be supplied. Please take a few moments to look through and complete the profile and agreement forms.

The provider agreement form has been modified to incorporate several necessary updates. Item #10 refers to minimizing vaccine wastage. Some circumstances may arise where a particular practice cannot use all VFC doses they have in inventory. In those situations providers need to try and transfer those doses to another office that can use them before they expire. Our expectation is that providers account for and use all doses ordered thru the VFC Program.

Items 14 & 15 refer to the rollout of an on-line vaccine ordering system being undertaken by the federal government. This new system, called VTrckS, is being piloted in several states and is anticipated to be available in Connecticut sometime in 2011. We will share more information on VTrckS as it becomes available. In the meantime the language in items 14 & 15 are being required for all VFC providers.

The completed provider profile and signed provider agreement forms must be submitted to the Immunization Program by January 18, 2011. Failure to meet the deadline will result in provider orders not being filled for February. Please be sure to include your Provider Identification Number (PIN) on both the agreement and profile forms.

As always, if you have any questions, please feel free to contact the Immunization Program at (860) 509-7929.
Connecticut Department of Health

Vaccines for Children Program Provider Agreement

Provider Name

Facility Name

agrees to participate in the Connecticut Vaccines for Children (VFC) Program through which will receive publicly purchased vaccines and agrees it:

1. shall not impose a charge for the cost of the vaccine received through this program; however may collect a reasonable administration fee per dose given. The administration fee collected for uninsured or underinsured children cannot exceed $21 per dose; the administration fee for all Medicaid recipients shall be the fee schedule established by the Department of Social Services, the administration fee for private insurance patients can be up to the maximum allowed per the insurance company’s policy.

2. shall not deny administration of a VFC supplied vaccine to a VFC eligible child due to the inability of the child’s parent/guardian/individual of record to pay an administration fee.

3. shall not bill a third party (e.g. insurance company or Medicaid) for vaccines already purchased with public (including VFC) funds. For the purpose of this agreement, multiple antigens such as MMR, MMRV, Td, DTaP, Tdap/IPV/HepB, Tdap/IPV/Hib, and DTaP/IPV are considered to be one vaccine.

4. shall provide the Connecticut Immunization Program with the numbers of children 0-18 years of age expected to need immunizations at this facility/practice for the 12-month period beginning on January 1, 2010. This information shall be submitted to DPH on the form entitled PROVIDER PROFILE as part of the annual procedure to enroll in the Connecticut VFC Program to receive publicly purchased vaccines.

5. shall screen patients using a screening eligibility record at all immunization encounters for eligibility and administer VFC vaccine to those children 18 years of age and younger who are: (A) enrolled in the Medicaid Program (or qualifies through a State’s Medicaid waiver), (B) has no health insurance/self pay, (C) are American Indians or Alaskan natives, (D) are underinsured/has health insurance that does not pay for vaccinations (only applicable to FQHCs or RHCs), or (E) has private insurance (private insurance patients can only receive those vaccines that are universally provided through the state Immunization Program).

6. shall comply with the appropriate immunization schedule, dosage, and contraindications, approved by the DHHS Advisory Committee on Immunization Practices (ACIP), unless (a) in the exercise of medical judgment, and in accordance with accepted medical practice, deem such compliance to be medically inappropriate; or (b) the particular requirement contradicts the Connecticut General Statute Sections 19a-7f, 10-204a and 19a-79-6a pertaining to immunizations and school and daycare immunization requirements for children in CT, including regulations relating to religious or medical exemptions.

7. shall provide Vaccine Information Statements (VIS) and maintain records in accordance with the National Childhood Vaccine Injury Act (NCVIA), which includes reporting clinically significant adverse events to the Vaccine Adverse Event Reporting System (VAERS).

8. shall maintain all VFC-related records for a period of three (3) years and if requested, shall make such records available to the Department of Public Health or the U.S. Department of Health and Human Services (DHHS).

9. shall comply with the Immunization Program requirements for ordering vaccines and with other requirements as detailed on the Vaccine Order Form (VOF) including the reporting of doses of vaccine administered by broad age categories and by dose number in the series on the order form provided by the Immunization Program.

10. shall maintain good vaccine handling and storage practices and shall report to the Immunization Program any vaccine wastage/loss. Providers agree that they are financially liable for all doses of vaccines ordered thru the VFC Program and will make every attempt to administer or transfer to another provider every dose ordered from the program.

11. shall report adverse reactions (reactions requiring medical attention) associated with vaccine to DPH within 2 weeks of the event occurring by phone/fax.

12. agrees that only licensed personnel shall administer vaccines to patients.

13. agrees that the Department of Public Health shall be granted access to the practice/clinic to conduct program and patient record reviews.

14. agrees that should my staff, representative, or I access VT rckS, I am bound by CDC’s terms of use for interacting with the online ordering system. I further agree to be bound by any applicable federal laws, regulations, or guidelines related to accessing a CDC system and ordering publicly funded vaccines.

15. In advance of any VT rckS access by my staff, representative or myself, I will identify each member of my staff or representative who is authorized to order vaccines on my behalf. In addition, I will maintain a record of each staff member who is authorized to order vaccines on my behalf. If changes occur, I will inform CDC within 24 hours of any change in status of current staff members or representatives who are no longer authorized to order vaccines, or the addition of any new staff authorized to order on my behalf. I certify that my identification is represented correctly on this provider enrollment/agreement form.

16. understands that either party may terminate this agreement at any time for any reason. The provider shall give 30 days written notice before terminating this agreement. The Department of Public Health may terminate this agreement for failure of the provider to comply with all the requirements.

17. shall properly return any unused VFC vaccine upon termination of this agreement.

18. the effective date of this Agreement is January 1, 2011. This Agreement shall thereafter be in effect for a period of 12 months, ending December 31, 2011 unless terminated by either party prior to the stated ending date. This agreement supersedes any previously signed agreement.

THE UNDERSIGNED, BEING THE PROVIDER OR HAVING THE SPECIFIC AUTHORITY TO BIND THE PROVIDER TO THE TERMS OF THIS AGREEMENT HEREBY AGREE TO ABIDE BY AND COMPLY WITH ALL OF THE STIPULATIONS, CONDITIONS, AND TERMS SET FORTH HEREIN.

Provider Agreement Revised December 2010.doc
All public and private health care providers who receive vaccine from the Connecticut Vaccines for Children Program (VFC) must complete this form. This document provides shipping information and helps to determine the amount of vaccine to be supplied. The form is also used to compare estimated vaccine needs with actual vaccine supply. The Immunization Program will keep this record on file with the SIGNED “Provider Agreement” on the back of this page. The Provider Profile form must be updated annually or if: (1) the number of children change, or (2) the address of the facility changes. Complete one form for each office/site/satellite.

Federal Employer Tax ID: ________________________  Group Medicaid Billing Number: ________________________

Please provide the following information for all personnel who administer vaccines.

<table>
<thead>
