		Order Amount			Order Amount
	<p>NEW! My Child's Immunization Record A pocket-sized personal 6-page booklet for parents to keep track of their child's shots and other routine tests during a child's checkup. Contains important phone numbers for Connecticut resources. Bi-lingual in English and Spanish.</p>			<p>NEW! Preventing Meningitis This booklet raises awareness of meningitis, how it is spread, symptoms to look for, and how to avoid infection. Urges readers to get vaccinated, avoid sharing personal items, wash hands often, and adopt other healthy habits. Includes a list of warning signs and recommends seeking medical care immediately if symptoms are observed. Bi-lingual in English and Spanish.</p>	
	<p>9 Reasons to Immunize Your Child This booklet underscores that immunizations are both safe and effective. It also provides a list of tips that describe vaccine-preventable diseases, reminds readers that outbreaks can occur due to a lack of vaccination, and explains that immunizations are the safest way to build immunity against many diseases. It reminds parents that it's never too late to get an older child vaccinated.</p>	<u>English</u> <u>Spanish</u>		<p>NEW! We Can Stay Healthy with Immunizations! Coloring & Activity Book with Stickers! This friendly book teaches children why immunizations are important, how they're given, and how they can help everyone stay healthy! Includes a sheet with more than 40 full-color stickers. 8 pages + sticker sheet with parent tips, 8 1/2" x 11". Ages 5-8 English only.</p>	
	<p>Vaccines for a Healthy Pregnancy Helps dispel fears and confusion about immunizations during pregnancy, and clearly presents the basic information all pregnant women should know—including both the shots they need and the shots they should avoid during pregnancy.</p>	<u>English</u> <u>Spanish</u>		<p>Immunize Your Child! Vaccine Information for Parents This easy-to-follow pamphlet emphasizes that all children need immunizations to protect them against serious illness. This pamphlet highlights the strong safety record of vaccines, the importance of keeping up with scheduled doses, and the low cost of immunization. Bi-lingual English/Spanish</p>	
	<p>Shots for Tots – The Importance of Immunizations for Your Child Clearly explains why immunization is important for every child. Covers the leading childhood illnesses and gives information on how to obtain a copy of your child's immunization history. Contains current childhood immunization schedule and references the Connecticut school and day care requirements. 16 pages, 5 1/2" X 8". Classic illustrated booklet.</p>	<u>English</u> <u>Spanish</u>		<p>Vaccine Safety – What Every Parent Should Know Emphasizes the benefits of vaccination and dispels common myths. Identifies the 11 diseases every child should be immunized against, citing their possible dangers. Reviews the standards that are in place to promote vaccine safety, tells parents the side effects to watch for and when to get help, and answers common questions.</p>	<u>English</u> <u>Spanish</u>
	<p>Shots – For Your Child's Health Stresses the vital role immunizations play in protecting their child's health, lists the serious health problems associated with the illnesses that shots can prevent, and provides an immunization schedule. Also discusses possible side effects and gives information for those who need help paying for shots.</p>	<u>English</u> <u>Spanish</u>		<p>Flu Vaccines – Why Everyone Needs Yearly Protection This pamphlet discusses the flu, its seriousness, and why a flu shot is the best way for everyone to protect themselves and their families. In clear terms, it discusses flu symptoms, possible complications, who should be vaccinated, and when to get a flu shot. Bi-lingual in English and Spanish.</p>	

Protect Your Preteen or Teen with Shots— They're Not just for Babies!

This informative, motivational booklet teaches parents that shots are just as important for preteens as they are for infants and toddlers. It provides a handy chart of "catch-up" and older child immunization. Also included: brief explanations of diseases of special concern that shots can protect against, special issues and those considered at high risk.

English

Spanish

The HPV Vaccine – Important Protection for your Son or Daughter

This pamphlet educates parents about the important benefits of the HPV vaccine, describes how it protects people from cervical and other cancers, and refutes common misconceptions. The pamphlet explains that both girls and boys should be vaccinated, describes the process, underscores the safety and effectiveness of the vaccine, and provides additional sources of information.

Bi-lingual in English and Spanish.
