Reportable Disease Confidential Case Report Form PD-23
 (rev. 01/01/2018)

Department of Public Health
410 Capitol Avenue, MS#11FDS
P.O. Box 340308
Hartford, CT 06134-0308

For information or weekday disease reporting call 860-509-7994. For reporting on evenings, weekends, and holidays call 860-509-8000.

Instructions for Submitting the PD-23

The Commissioner of the Department of Public Health (DPH) is required to declare an annual list of Reportable Diseases, Emergency Illnesses and Health Conditions, which has two parts: (A) reportable diseases; and (B) reportable emergency illnesses and conditions. This three-part form is to be used for reporting of the reportable diseases in Part A, as required under Sections 19a-36-A3 and 19a-36-A4 (see back of form) of the Public Health Code and Sections 19a-2a and 19a-215 of the Connecticut General Statutes. Mail the white copy to the Connecticut Department of Public Health, Epidemiology and Emerging Infections Program at the address above. Mail the canary copy to the Director of Health of the patient's town of residence. Retain the pink copy in the patient's medical record. Mail reports in envelopes marked "Confidential."

Use Other Forms or Methods to Report

- **Epidemiology and Emerging Infections Program** 860-509-7994
 Confidential Case Report Form PD-23 FAX 860-509-7910
 Hospitalized and Fatal Cases of Influenza Case Report Form
- **Healthcare-associated Infections** 860-509-7995
 Use the National Healthcare Safety Network (NHSN)
- **HIV/AIDS** 860-509-7900
 Adult HIV Confidential Case Report Form
- **Immunization Program** 860-509-7929
 Chickenpox (Varicella) Case Report Form
- **Occupational Diseases** 860-509-7740
 Physician's Report Form
- **Sexually Transmitted Diseases** 860-509-7920
 STD-23 Form
- **Tuberculosis** 860-509-7722
 Tuberculosis Surveillance Report Form

- Category 1 Diseases:** Report immediately by telephone (860-509-7994) on the day of recognition or strong suspicion of disease for those diseases marked with a telephone (☎). On evenings, weekends, and holidays call 860-509-8000. These diseases must also be reported by mail within 12 hours.
- Category 2 Diseases:** All other diseases not marked with a telephone must be reported by mail within 12 hours of recognition or strong suspicion.

FOOTNOTES

1. Report only to State.
2. As described in the CDC case definition.
3. Includes persons being treated in hyperbaric chambers for suspect CO poisoning.
4. Invasive disease: from sterile fluid (blood, CSF, pericardial, pleural, peritoneal, joint or vitreous), bone, internal body sites, or other normally sterile site including muscle.
5. Report HAIs according to current CMS pay-for-reporting or pay-for-performance requirements. Detailed instructions on the types of HAIs, facility types and locations, and methods of reporting are available on the DPH website: <http://portal.ct.gov/dph/infectious-diseases/HAI/Healthcare-Associated-Infections-HAIs>.
6. On request from the DPH and if adequate serum is available, send serum from patients with HUS to the DPH Laboratory for antibody testing.
7. Reporting requirements are satisfied by submitting the Hospitalized and Fatal Cases of Influenza-Case Report Form in a manner specified by the DPH.
8. Clinical sepsis and blood or CSF isolate obtained from an infant ≤ 72 hours of age.
9. Individual cases of "significant unusual illness" are also reportable.
10. Community-acquired: infection present on admission to hospital, and person has no previous hospitalizations or regular contact with the health-care setting.

State of Connecticut Health Insurance Portability and Accountability Act (HIPAA) Guidelines

Pursuant to Connecticut General Statutes (CGS) § 19a-2a and § 19a-215 and to the Regulations of Connecticut State Agencies Section 19a-36-A3 and Section 19a-36-A4, the requested information is required to be provided to the Department of Public Health (DPH)

Please note that CGS § 52-146o(b)(1) authorizes the release of these records to the Department without the patient's consent. Additionally, the federal Privacy Regulations of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) also authorize you, as a provider, to release this information without an authorization, consent, release, opportunity to object by the patient, as information (i) required by law to be disclosed [HIPAA Privacy regulation, 45 CFR § 164.512(a)] and (ii) as part of the Department's public health activities (HIPAA Privacy regulation, 45 CFR § 165.512(b)(1)(i)). The requested information is what is minimally necessary to achieve the purpose of the disclosure, and you may rely upon this representation in releasing the requested information, pursuant to 45 CFR § 164.514(d)(3)(iii)(A) of the HIPAA Privacy regulations.

PHC Section 19a-36-A4 - Content of report and reporting of reportable diseases and laboratory findings.

Each report should include: 1) name, address, and phone number of the person reporting and of the physician attending; 2) name, address, date of birth, age, sex, race/ethnicity, and occupation of person affected; and 3) the diagnosed or suspected disease, and date of onset. Reports must be mailed in envelopes marked "CONFIDENTIAL" within 12 hours of recognition or strong suspicion to the:

(Retain Pink copy for patient's medical record.)

PHC Section 19a-36-A3 - Persons required to report reportable diseases and laboratory findings.

1. Every health care provider who treats or examines any person who has or is suspected to have a reportable disease shall report the case to the local director of health or other health authority within whose jurisdiction the patient resides and to the DPH.
2. If the case or suspected case of reportable disease is in a health care facility, the person in charge of such facility shall ensure that reports are made to the local director of health and DPH. The person in charge shall designate appropriate infection control or record keeping personnel for this purpose.
3. If the case or suspected case of reportable disease is not in a health care facility, and if a health care provider is not in attendance or is not known to have made a report within the appropriate time, such report of reportable diseases shall be made to the local director of health or other health authority within whose jurisdiction the patient lives and DPH by:
 - a. the administrator serving a public or private school or day care center attended by any person affected or apparently affected with such disease;
 - b. the person in charge of any camp;
 - c. the master or any other person in charge of any vessel lying within the jurisdiction of the state;
 - d. the master or any other person in charge of any aircraft landing within the jurisdiction of the state;
 - e. the owner or person in charge of any establishment producing, handling, or processing dairy products, other food, or non-alcoholic beverages for sale or distribution;
 - f. morticians and funeral directors
