II. Memorandum of Decision

Joseph Struckus, PhD - Petition No. 2020-448

Attorney Paul Nowasadko was present with Dr. Struckus. Attorney Nowasadko commented that the proposed Memorandum of Decision dismissing the charges contains reference to confidential medical information pertaining to Dr. Struckus. He suggested that the decision should be modified to simply state that after a hearing the charges are dismissed. Dr. Oaks made a motion to adopt the decision as written. There was no second to this motion.

Dr. Struckus commented that pending the issuance of the Board's decision the DPH license verification website continues to indicate charges are pending.

Following additional discussion Dr. Campagna made a motion, seconded by Ms. Serrano, to adopt the decision. The motion passed unanimously.

The DPH will be provided with the decision as written, and a version with protected health information redacted. The redacted version will be released if there is a public request for the decision.
