

Check back frequently for updates to locations/dates and times

Use the following links to sign up for the hands-on training: - Please read all these directions

When you open a link, use the tabs at the bottom of the page to find location and directions and dates for the training with the time slots to sign up. Be careful - do not click the "+"

Click on the date

Please be careful not to type over someone's name on the sheet

When you add something it automatically saves to the sheet.
