

# A Healthier Connecticut by 2020

## Your Voice Matters

### Tell Us What Health Issues Are Most Important to You

A broad coalition led by the Connecticut Department of Public Health (DPH) is developing a Plan to help Connecticut residents become healthier by 2020.

DPH is holding public forums in each of Connecticut's eight counties to help develop the Plan. We will share key information about our population's health, and want to hear what issues and problems affect your community's health, and how your community can become a healthier place to live.

All Connecticut residents are welcome, including state, local and tribal government agencies, academic institutions, businesses, health care providers, and community, recreational, philanthropic, and faith-based organizations.

**Time:** All forums are from 6 to 7 p.m.  
Registration begins at 5:30 p.m.

**Registration requested. Walk-ins welcome!**
