

CONNECTICUT HEALTH IMPROVEMENT PLANNING COALITION

Focus Area: INJURY AND VIOLENCE PREVENTION

Work Group Meeting: #2

Date: 6/6/13

Time: 9:00-11:00 a.m.

Location: Conference Call

Time	Agenda Item	<i>min</i>	Notes
9:00	Review Work to Date	<i>15 mins</i>	<ul style="list-style-type: none"> • Amanda Durante opened meeting at 9:00. • Carol Bower took roll call. (See end of notes for participants.) • Amanda reviewed output from first meeting and work done creating an overall goal for Injury and Violence Prevention. Goal modified to read: "Create an environment in which exposure to injuries is minimized or eliminated." (State further in document that injury is inclusive of unintentional injury, intentional self-injury, and intentional injury to others.)

Time	Agenda Item	<i>min</i>	Notes
9:15 – 10:00	Discuss Approach to Crafting Objectives	45 mins	<ul style="list-style-type: none"> • Amanda reviewed draft objectives from HP2020, sent to in advance to group members, and asked for preferred approach to crafting objectives prior to 6/20/13 meeting. • Pina Violano suggested a focus on areas where there are data and that present issues for state, including Child Maltreatment, Motor Vehicles, Homicide, Suicide, Traumatic Brain Injury, Falls, and Poisoning; also, any areas where group members have expertise. • It was clarified that the role of the work groups is to develop a goal, objectives, and strategies for Healthy Connecticut 2020, and recommendations for the first phase (1-3 years) of implementation. The “front end” Plan should be inclusive of all injury and violence “areas of concentration” for which trackable data exist, whereas the 1-3 year implementation priorities will be narrower and more focused. [<i>Post-conference-call note: This structure was requested by the DPH Commissioner.</i>] • Amanda suggested using HP2020 measurable objectives (morbidity and mortality) as starting points. • Pina discussed the value of a life-course approach to developing strategies • Amanda asked that each person on the call volunteer for a specific injury topic area and work prior to 6/20/13 on pulling together data, identifying potential objectives, and outlining potential strategies (both existing initiatives and potential additional, evidence based strategies). • Amanda also asked that members identify subject matter experts who would be helpful to consult on drafts and/or participate in the 6/20/13 meeting. <p>Deb Shulansky suggested that work group members add educational information, flyers, etc. developed by their organizations to the DROPBOX, for use and reference by other members in their work.</p>

Time	Agenda Item	<i>min</i>	Notes
10:00-10:15	Next Steps and Pre-Planning Work	15	<ul style="list-style-type: none"> • Send any materials (data, info) to Amanda, Pina, and Rose for addition to DROPBOX. • Bring data, lists of web sites, laws current or pending, etc. for your chosen area to the meeting on 6/20/13. • Draft objectives based on HP2020 measurable objectives (see spreadsheet sent to group with notice of this conference call) prior to 6/20/13 meeting. • Draft strategies based on (a) what is already going on in state; (b) additional evidence-based strategies that are systems change/environmental/policy related (see DROPBOX for samples). • Identify experts to consult and/or invite to 6/20/13 meeting. PLEASE LET AMANDA AND PINA know ASAP if they need to be invited to join our work group! • DPH to add hospitalization and ED data and BRFSS and YRBS data related to injury and violence to DROPBOX, or links to the data on the DPH web site to be provided to group members. • Amanda to provide mortality data and final minutes to all WG members. • Rose to draft minutes, ensure that DROPBOX invitations and links are sent to all members. • Pina to send directions and parking info for 6/20/13 meeting location at Yale. • Amanda to send template to group to help organize input and ensure consistency. • Pina to talk to Dorothy Baker at Yale re: expertise re: Fall Prevention.

Conference Call Participants and Their Preferred Areas of Concentration:

Name	Representation/Expertise	Areas of Concentration for 6/20/13 Planning
