### Supplemental Nutrition Assistance Program Outreach 3/19/2012

#### Request for Proposals

The State of Connecticut Department of Social Services is issuing Addendum 4 to the Supplemental Nutrition Assistance Program Outreach 3/19/2012 Request for Proposals (RFP). All requirements of the original RFP except those requirements specifically changed by this Addendum shall remain in effect. In the event of any inconsistency between information provided in the RFP and information in this addendum, the information in this addendum shall prevail.

1. Section I.C.9, **Proposal Due Date and Time**, of the RFP is amended as follows:

**9. Proposal Due Date and Time.** The Official Contact is the **only authorized recipient** of proposals submitted in response to this RFP. Proposals must be received by the Official Contact on or before the due date and time:

- Due Date: May 8, 2012
- Time: 3:00 p.m. Eastern Time

Faxed or e-mailed proposals will not be evaluated. The Department shall not accept a postmark date as the basis for meeting the proposal due date and time. Respondents should not interpret or otherwise construe receipt of a proposal after the due date and time as acceptance of the proposal, since the actual receipt of the proposal is a clerical function. The Department suggests the respondent use certified or registered mail, or a delivery service such as United Parcel Service (UPS) to deliver the proposal when the respondent is unable to deliver the proposal by courier or in person. When hand-delivering proposals respondents should allow extra time to comply with building security procedures and new delivery and receiving requirements.

Hand-delivered proposals must be delivered to the loading dock located on the north side of the building, at 555 Capitol Avenue. Upon arriving at the loading dock, the courier or respondent must ring the buzzer by the door. The Official Contact or designee will receive the proposal and provide the courier or respondent with a receipt.

Note: the loading dock closes promptly at 3:00 p.m. Eastern Time.

Proposals shall not be considered received by the Department until they are in the hands of the Official Contact or another representative of the Contract Administration unit designated by the Official Contact. At the discretion of the Department, late proposals may be destroyed or retained for pick-up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- four (4) conforming copies of the original proposal; and
- one (1) conforming electronic copy of the original proposal on Compact Disk (CD) clearly labeled with the Legal Name of the respondent and the RFP Name: **SNAP Outreach RFP 3/19/2012**

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Evaluation Team. **The electronic copy of the proposal, including all required Appendices and Forms identified in Section IV, must be compatible with Microsoft Office Word except for the Financial Summary and POS-Budget Support, which may be compatible with Microsoft Office Excel.** If any of the required Appendices and Forms identified in Section IV are not compatible with Microsoft Office Word, they must be scanned and submitted in Portable Document Format (PDF) or similar file format.

## **Addendum 1**

### **Supplemental Nutrition Assistance Program Outreach 3/19/2012**

#### **Request for Proposals**

The State of Connecticut Department of Social Services is issuing Addendum 1 to the Supplemental Nutrition Assistance Program Outreach 3/19/2012 Request for Proposals (RFP).

This addendum contains questions submitted by interested parties and the Department of Social Services official responses. These responses shall clarify the requirements of the RFP. In the event of any inconsistency between information provided in the RFP and information in this addendum, the information in this addendum shall prevail.

1. Question: What is the definition of a partner? We have a number of partners that we work with, and plan on working with if we receive the grant. They are not subcontractors but they are organizations that we have a close ongoing relationship with. We do not fund them, however we give them our staff time to help build their outreach program and consider that time as ongoing outreach. Would our partner definition, as outlined above, be considered a community-based organization?

Answer: Please see the answer to question 2.

2. Question: Are subcontractor and partner used interchangeably in the RFP?

Answer: No. A subcontractor is an individual (other than an employee of the contractor) or business entity that will be hired by the contractor to provide any of the services required by the RFP, through a formal written contract between the contractor and the subcontractor. A partner is any entity, other than a subcontractor, that the respondent is proposing to use to provide any of the services required by the RFP, through a less formal partnership agreement between the contractor and the partner.

3. Question: Under the "Main Proposal Components" the RFP calls for similar information for each subcontractor and partner that is requested for the lead organization. Does this include anyone that we work closely with but is not a subcontractor?

Answer: If the respondent is proposing the use of any individual (other than an employee of the respondent) or business entity to provide any of the services required by the RFP, information that is requested about the respondent must also be provided about each such individual or business entity, whether a subcontractor or partner, where indicated throughout the RFP.

4. Question: For the budget, do we need to fill out separate budgets and budget-POS support pages for each subcontractor, or only one comprehensive budget and one Budget-POS support that will outline the cost for the lead organization and each subcontractor?

Answer: The proposal does not require a separate Financial Summary and POS-Budget Support for each subcontractor. Subcontractor costs should be included in category number 2, Contractual Services, of the Financial Summary and POS-Budget Support.

- Due Date: May 8, 2012
  - Time: 3:00 p.m. Eastern Time

Faxed or e-mailed proposals will not be evaluated. The Department shall not accept a postmark date as the basis for meeting the proposal due date and time. Respondents should not interpret or otherwise construe receipt of a proposal after the due date and time as acceptance of the proposal, since the actual receipt of the proposal is a clerical function. The Department suggests the respondent use certified or registered mail, or a delivery service such as United Parcel Service (UPS) to deliver the proposal when the respondent is unable to deliver the proposal by courier or in person. When hand-delivering proposals respondents should allow extra time to comply with building security procedures. Proposals shall not be considered received by the Department until they are in the hands of the Official Contact or another representative of the Contract Administration unit designated by the Official Contact. At the discretion of the Department, late proposals may be destroyed or retained for pick-up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- four (4) conforming copies of the original proposal; and
- one (1) conforming electronic copy of the original proposal on Compact Disk (CD) clearly labeled with the Legal Name of the respondent and the RFP Name: **SNAP Outreach RFP 3/19/2012**

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Evaluation Team. **The electronic copy of the proposal, including all required Appendices and Forms identified in Section IV, must be compatible with Microsoft Office Word except for the Financial Summary and POS-Budget Support, which may be compatible with Microsoft Office Excel.** If any of the required Appendices and Forms identified in Section IV are not compatible with Microsoft Office Word, they must be scanned and submitted in Portable Document Format (PDF) or similar file format.

10. **Multiple Proposals.** The submission of multiple proposals is not an option with this procurement.
11. **Declaration of Confidential Information.** Respondents are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations, and interpretations resulting from them. If a respondent deems that certain information required by this RFP is confidential, the respondent must label such information as CONFIDENTIAL. In Section C of the proposal submission, the respondent must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the respondent must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the respondent that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).
12. **Conflict of Interest - Disclosure Statement.** Respondents must include a disclosure statement concerning any current business relationships (within the past three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the respondent and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a respondent tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the respondent over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a respondent must affirm such in the disclosure statement. *"[name of respondent] has no current business relationship (within the past three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

3. **Table of Contents.** All proposals must include a Table of Contents that conforms to the required proposal outline. (See Section IV.)
4. **Executive Summary.** Proposals must include a high-level summary, not exceeding one (1) double-sided page (two (2) pages total) of the main proposal and cost proposal. The Executive Summary shall include: (a) the respondent's principal place of business; (b) the respondent's demonstrated experience of a minimum of three years providing nutrition-based program services to low-income individuals and households; (c) the respondent's demonstrated experience of a minimum of two years offering application assistance for social services programs; (d) the respondent's demonstrated ability to serve multicultural, multilingual populations; and (e) the total funding requested. Further, the required Appendices or Forms must not be altered or used to extend, enhance, or replace any component required by this RFP. The Legal Name and Address of the respondent must appear in the upper left corner of the envelope or package. The RFP Name must be clearly displayed on the envelope or package:

Any received proposal that does not conform to these packaging and labeling instructions will be opened as general mail. Such a proposal may be accepted by the Department as a clerical function, but it will not be evaluated. At the discretion of the Department, such a proposal may be destroyed or retained for pick-up by the submitters.

## ■ E. EVALUATION OF PROPOSALS

1. **Evaluation Process.** It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating with successful respondents, and offering the right to negotiate a contract, the Department will conform to its written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
2. **Evaluation Team.** The Department will designate an Evaluation Team to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Evaluation Team. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts by any respondent (or representative of any respondent) to contact or influence any member of the Evaluation Team may result in disqualification of the respondent.
3. **Minimum Submission Requirements.** All proposals must comply with the requirements specified in this RFP. To be eligible for evaluation, proposals must (a) be received on or before the due date and time; (b) meet the Proposal Format requirements; (c) follow the required Proposal Outline; and (d) be complete. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Department will reject any proposal that deviates significantly from the requirements of this RFP.
4. **Evaluation Criteria (and Weights).** Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Evaluation Team will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. The criteria are weighted according to their relative importance. The weights are confidential.
  - Organizational Requirements
  - Service Requirements
  - Staffing Requirements *see note*
  - Data and Technology Requirements
  - Subcontractors and Partners
  - Work Plan
  - Financial Profile
  - Financial Summary and POS-Budget Support
  - Appendices

**Note:**

As part of its evaluation of the Staffing Requirements, the Evaluation Team will consider the respondent's demonstrated commitment to affirmative action, as required by the Regulations of Connecticut State Agencies § 46A-68j-30(10).

- 5. Respondent Selection.** Upon completing its evaluation of proposals, the Evaluation Team will submit the rankings of all proposals to the Department head. The final selection of a successful respondent is at the discretion of the Department head. Any respondent selected will be so notified and offered an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. All unsuccessful respondents will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and respondent selection process.
- 6. Debriefing.** After receiving notification from the Department, any respondent may contact the Official Contact and request a Debriefing of the procurement process and its proposal. If respondents still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the procurement process. The Department shall schedule and conduct Debriefing meetings that have been properly requested, within fifteen (15) days of the Department's receipt of a request. The Debriefing meeting must not include or allow any comparisons of any proposals with other proposals, nor should the identity of the evaluators be released. The Debriefing process shall not be used to change, alter, or modify the outcome of a competitive procurement. More detailed information about requesting a Debriefing may be obtained from the Official Contact.
- 7. Appeal Process.** Any time after the submission due date, but **not later than thirty (30) days** after the Department notifies respondents about the outcome of a competitive procurement, respondents may submit an Appeal to the Department. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the thirty (30) days. Respondents may appeal any aspect of the Department's competitive procurement; however, such Appeal must be in writing and must set forth facts or evidence in sufficient and convincing detail for the Department to determine whether during any aspect of the competitive procurement there was a failure to comply with the State's statutes, regulations, or standards concerning competitive procurement or the provisions of the RFP. Any such Appeal must be submitted to the Agency Head with a copy to the Official Contact. The respondent must include the basis for the Appeal and the remedy requested. The filing of an Appeal shall not be deemed sufficient reason for the Department to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an Appeal may be obtained from the Official Contact.
- 8. Contest of Solicitation or Contract Offer.** Pursuant to Section 4e-36 of the Connecticut General Statutes, "Any bidder or proposer on a state contract may contest the solicitation or award of a contract to a subcommittee of the State Contracting Standards Board..." ## II. MANDATORY PROVISIONS

### ■ A. POS STANDARD CONTRACT, PARTS I AND II

*By submitting a proposal in response to this RFP, the respondent implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:*

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at: [OPM: POS Standard Contract Part II](#).

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a respondent is offered an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the respondent must inform the respondent's principals of the contents of the SEEC notice.

State Officials and Employees.** The respondent certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the respondent, contractor, or its agents or employees.

3. **Competitors.** The respondent assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. The respondent further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the respondent knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.
4. **Validity of Proposal.** The respondent certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or addenda hereto. 3. **Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Respondents are liable for any other applicable taxes.
4. **Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
5. **Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize respondents to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the respondent's expense.

6. **Supplemental Information.** Supplemental information will not be considered after the deadline for submission of proposals, unless specifically requested by the Department. The Department may ask a respondent to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. The contract document will represent the entire agreement between the respondent and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the respondent or for payment of services under the terms of the contract until the successful respondent is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

This may include, in extreme circumstances, revoking the offer of a contract already made to a respondent and subsequently offering the contract to another respondent. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial respondent is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the respondent.
8. **Program Staff/Managers.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in program staff, with the exception of program staff that have terminated employment. ### III. PROGRAM INFORMATION

#### ■ A. DEPARTMENT OVERVIEW

The Department of Social Services provides a broad range of services to the elderly, persons with disabilities, families, and individuals who need assistance in maintaining or achieving their full potential for self-direction, self-reliance, and independent living. It administers more than 90 legislatively authorized programs and one third of the State budget. By statute, it is the State agency responsible for administering a number of programs under federal legislation, including the Rehabilitation Act, the Food and Nutrition Act of 2008, the Older Americans Act, and the Social Security Act. The Department is also designated as a public housing agency for the purpose of administering the Section 8 program under the federal Housing Act.

The Department is headed by the Commissioner of Social Services and there are two Deputy Commissioners -- a Deputy Commissioner for Programs and a Deputy Commissioner for Health Services, Finance, and Administration. There is a regional administrator responsible for each of the three service regions. By statute, there is a statewide advisory council to the Commissioner, and each region must have a regional advisory council.

The Department administers most of its programs through 12 offices located in the three service regions, with central office support located in Hartford. In addition, many services funded by the Department are available through community-based agencies, including the 156 senior centers throughout Connecticut. The Department has out-stationed employees at hospitals to expedite Medicaid applications, and funds Healthy Start sites, which can accept applications for Medicaid for pregnant women and young children. Many of the services provided by the Department are available via mail or telephone call.

There are two entities attached to the Department for administrative purposes only. They are the Child Day Care Council and the Bureau of Rehabilitative Services. The Bureau of Rehabilitative Services is comprised of the former DSS Bureau of Rehabilitation Services; Board of Education and Services for the Blind; Commission on the Deaf and Hearing Impaired; and portions of the Workers' Compensation Commission and Department of Motor Vehicles.

#### **Department Mission**

The Connecticut Department of Social Services provides a continuum of core services to:

- Meet basic needs of food, shelter, economic support, and health care
- Promote and support the choice to live with dignity in one's own home and community
- Promote and support the achievement of economic viability in the workforce.

We gain strength from our diverse environment to promote equal access to all DSS programs and services.

#### **Department Vision**

The Connecticut Department of Social Services is people working together to support individuals and families to reach their full potential and live better lives. We do this with humanity and integrity.

## ■ B. PROGRAM OVERVIEW

### Supplemental Nutrition Assistance Program (SNAP) Outreach

The Supplemental Nutrition Assistance Program (SNAP), formerly known as the Food Stamp program, is a nutrition program funded and administered by the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS). The program helps low-income individuals and families to buy food and provides nutrition education to help recipients choose foods that enhance their health and well-being. The current program was set up in 1971, and underwent a name change from Food Stamps to SNAP in October 2008. The Connecticut Department of Social Services operates the program at the state level following rules from the USDA.

As of October 2011, the Department provided federal SNAP benefits to 215,463 households. Those households were comprised of 396,517 individuals. The average monthly benefit for Federal Fiscal Year 2010 was \$181. The Department also serves about 612 people under the State-Funded SNAP.

There are individuals and households who are potentially eligible for SNAP, but for a variety of reasons are not receiving these benefits. The Department is looking at a variety of measures to increase the number of qualified individuals and households receiving benefits.

The Department is seeking responsive proposals from eligible organizations with the capacity to provide SNAP outreach services and application assistance. This program requires interaction with individuals and households who are potentially eligible for SNAP benefits. The contractor must be able to go on site to community locations where potential SNAP applicants may congregate regularly for other services and activities such as food pantries, church feeding programs, schools, etc., and offer other outreach initiatives to increase participation in SNAP. Contractor outreach staff must be willing to undergo all required training from the Department to be able to explain the benefits of SNAP and help those seeking the benefits to apply.

#### ***Major Program Goals***

1. Create or maintain alliances with community-based organizations (CBOs) that serve low-income individuals throughout Connecticut.
2. Provide outreach specialists to visit CBOs on a regular basis to provide information about SNAP and assistance with the application process.
3. Increase the number of eligible individuals and families receiving SNAP benefits.

**Civil penalties**—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.
