CONNECTICUT HOME CARE PROGRAM FOR ELDERS (CHCPE) REQUEST FOR REFERRAL

The Connecticut Home Care Program for Elders (CHCPE) provides assistance to adults who are 65 years and older with difficulty in performing some Activities of Daily Living (ADL). This program provides many of the services you will need to remain in your home instead of going to a long-term care facility or nursing home.

Eligibility for CHCPE is a two part process:

- Part 1: Functional: You *must have a need* for these services. Specifically, you must physically demonstrate that you have *need* for hands-on assistance in performing some **Activities of Daily Living**.
 - Bathing need help to properly bath yourself?
 - Eating/Feeding need help to properly feed yourself? (This does not mean making or preparing meals.)
 - Toileting need help going to/from toilet and/or properly clean yourself afterwards?
 - Transfer need help to safely transfer in and out of chairs / bed?
 - Medication need help preparing and/or taking your daily medications?
 - Behavioral need daily supervision to keep from harming yourself or others?

Part 2: Financial: You must meet either the Medicaid or State Funded (Waiver) financial criteria to receive services under CHCPE. You will be expected to apply for Medicaid if you meet the financial criteria. If you do not meet the financial criteria for Medicaid, you may be eligible for State-Funded Home Care Services.

INCOME AND ASSET INFORMATION			
MONTHLY INCOME LIMITS 1	MEDICAID INCOME LIMIT	STATE FUNDED INCOME LIMIT	
	\$2,205.00 per month	No Limit	
Asset Limits 2	MEDICAID (WAIVER) 3	STATE FUNDED 4	
Individual	l - \$1600.00	\$36,270.00	
Couple -	\$3,200.00 (Both receiving serv	ices) \$48,360.00 - Combined Assets (One or both receiving services)	
Couple -	$$25,780.00$ 3 (One receiving serv	vices) \$48,360.00 - Combined Assets (One or both receiving services)	
³ A higher amount may be allowed if you have a spousal assessment done (see Notice to Married Couples next page).			
⁴ Participation is based on availability of funds. State Funded clients must pay 9% of the cost of their services.			

¹ Income - How DSS Counts Your Monthly Income: We count your total (gross) monthly income, before any deductions, including any deductions for Medicare premiums. This includes all income you get on a regular basis, like wages, pension, Social Security, Veteran's benefits and Supplemental Security Income. We count only your income, not your spouse's or anyone else's income. List only your income and no one else's.

² Assets - How DSS Counts All of Your Assets: We count all assets owned by you and your spouse. This includes, but is not limited to, real estate not used as your home, non-essential motor vehicles, campers, boats, bank/credit union accounts (savings, checking, CD, IRA, Vacation or Christmas Club), stocks, revocable trust funds, bonds, U.S. Savings Bonds, total cash surrender value of life insurance with a total face value that exceeds \$1,500.00.

We do NOT count the following: Your house that you use as your home and its furnishings, your personal belongings (clothes, jewelry) or the vehicle that you use for transportation. Certain burial funds - irrevocable up to \$8,00.00 for each person OR revocable up to \$1,800.00. Burial plots - For single individuals, one plot. For married individuals, one plot for each spouse and certain other family members under certain conditions. A plot may include a casket, outer container and opening and closing of the grave. Life insurance policies if the total face value of all policies does not exceed \$1,500.00. (Otherwise count total cash surrender value of all policies.)

Please Note: If your income is below the program limit, but your counted assets exceed the asset limit, you may be screened for CHCPE when you reduce your assets to the limit. You are not required to spend your excess assets on health care. You may spend them on any goods or services for yourself or your spouse, as long as you receive fair market value in exchange for your excess assets and keep all of your receipts. When you have reduced your assets to the limit, you may reapply to CHCPE.

DSS may pursue legally liable relative contributions from spouses or recipients receiving services under CHCPE and has the right to recover monies from the sale of real estate and from the estates of individuals who received services under the CHCPE, including private insurance premiums paid on behalf of the individual.
