

It's about the **member**

Providers deliver care that meets the member's unique needs and preferences

It's about **quality**

Builds on the success of Connecticut Medicaid's PCMH program by continuing to improve the quality of care for members

It's about **care coordination**

Coordinators help members manage their health, navigate the health care system and access needed services

It's about **member support**

Helps providers better support members with behavioral health needs, children and youth with special health care needs and members with disabilities

When providers **improve** quality and **reduce** cost of care, they **receive** a portion of the savings
