

NOTICE TO HUSKY HEALTH MEMBERS:

Your Doctor is Participating in the HUSKY Health PCMH+ Program

Dear _____:

We want to tell you about a new HUSKY Health program. The program is called the "Person-Centered Medical Home *Plus*" program, or PCMH+.

The most important things to remember about PCMH+ is that your doctor and services have not changed and there is no charge for any of the services you will get from PCMH+. The one thing that will change, is the way your doctor will be paid.

What is PCMH+?

In the PCMH+ program, you may get extra help getting care for you and your child. It can help with seeing other doctors, finding housing or getting food.

In PCMH+, doctors may get paid more by giving you better care and helping you stay healthy. If this happens, then your doctor may share in some of the money saved by keeping you healthier. This is called "shared savings."

You do not have to be a part of PCMH+. Your HUSKY benefits do not change whether you are part of PCMH+ or not.

You have a choice:

1. You can do nothing:

If you do nothing, you will be enrolled in PCMH+

OR

2. You can choose not to participate:

If you do not want to take part in PCMH+, you can:

- Sign the form attached to this notice and send it back to us.

OR

- Call **1-877-858-7012 Option #2** to let us know you do **not** want to be part PCMH+.

If you do not take part in PCMH+, you can still get help. Call HUSKY Health Member Services at 1-800-859-9889 and ask about care coordination in the HUSKY Health program.

We want to hear from you!

Your opinion is important to us and we want to hear from you. We want to know if you feel you need a service and your doctor disagrees or if you are having trouble seeing the doctor you want to see. If so, please call us at **1-800-859-9889** with any questions or concerns.
