Dear New Horizons,

Effective July 1, 2022, the New Horizons personal needs allowance, used by the Department of Social Services when calculating benefits for the State Supplement program, will increase from \$137.03 to \$143.47.

This increased PNA will be reflected in the July issuances (for July room and board payments). You should retain only the approved rate for your facility.

Please note that there is no personal needs allowance included in the State Administered General Assistance (SAGA) program, therefore this change does not apply to recipients of SAGA.

If you have any questions regarding this matter, please email the DSS Medical Eligibility Policy Unit at EligPolicy.DSS@ct.gov

Sincerely,

Peter Hadler
Director
Division of Program Oversight & Grant Administration
Department of Social Services
