Notice of Proposed Medicaid State Plan Amendment (SPA)

SPA 18-C: Audiology and Speech & Language Pathology, Physical and Occupational Therapies – HIPAA Billing Code and Reimbursement Update

The State of Connecticut Department of Social Services (DSS) proposes to submit the following Medicaid State Plan Amendment (SPA) to the Centers for Medicare & Medicaid Services (CMS) within the U.S. Department of Health and Human Services (HHS).

Changes to Medicaid State Plan

Effective on or after January 1, 2018, SPA 18-C will amend Attachment 4.19-B of the Medicaid State Plan to incorporate the 2018 Healthcare Common Procedure Coding System (HCPCS) changes (additions, deletions and description changes) to the Audiology and Speech & Language Pathology, Physical and Occupational Therapies fee schedules. The Department is making these changes to remain compliant with the Health Insurance Portability and Accountability Act (HIPAA). New codes are being priced in accordance with the same methodology as existing codes priced at 57.5% of the 2018 Medicare physician fee schedule.

In addition to the HIPAA compliant update, the Department is also adding code 97127 (Development of cognitive skills, 15 min.) to those fee schedules, which is being priced at \$16.46. It is necessary to add this in order to ensure the fee schedules incorporate medically necessary services rendered in that setting.

Fee schedules are published at this link: <http://www.ctdssmap.com>, then select “Provider”, then select “Provider Fee Schedule Download.”

Fiscal Information

DSS estimates that this SPA will increase annual aggregate expenditures by approximately \$111,000 in State Fiscal Year (SFY) 2018 and \$27,000 in SFY 2019.
