## STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: CONNECTICUT

(5) Physician's services – Fixed fee schedule not to exceed the Medicare physician fee schedule. The current fee schedule was set as of July 1, 2019 and is effective for services provided on or after that date. The fee schedule for physicians can be accessed and downloaded by going to the Connecticut Medical Assistance Program website: [www.ctdssmap.com](http://www.ctdssmap.com). From this web page, go to "Provider," then to "Provider Fee Schedule Download." All governmental and private providers are reimbursed according to the same fee schedule.

Person-Centered Medical Home (PCMH) practices are individual sites of independent physician groups, solo physician practices, nurse practitioner groups, and individual nurse practitioners that have met National Committee for Quality Assurance (NCQA) Level 2 or Level 3 medical home recognition or NCQA medical home recognition under the 2017 or later NCQA standards (which do not recognize specific levels of recognition). PCMH practices must comply with all NCQA PCMH requirements and all additional written department requirements, including participation in various primary care initiatives operated by the State.

The department offers a PCMH Glide Path program, which pays enhanced rates to practices that are providing some of the additional Medicaid services required for NCQA PCMH recognition. In order to qualify for Glide Path, a practice must demonstrate that it has begun providing a more advanced standard of primary care and has committed to achieving NCQA PCMH recognition in a set period of time. Glide Path practices must also comply with all additional written department requirements, including participation in various primary care initiatives operated by the State.

Beginning January 1, 2012, PCMH and Glide Path practices may be eligible for a rate add-on to the procedure codes on the physician fee schedule identified below. PCMH practices may also be eligible for retrospective annualized supplemental payments for performance incentives and performance improvement. Independent physician-led Glide Path practices with five or fewer full-time equivalent practitioners across all practice locations may also be eligible for a supplemental payment at each Glide Path phase.

(a) Glide Path and PCMH Rate Add-On: The department will pay a rate add-on for the following procedures in addition to the amounts listed for each procedure code on the physician fee schedule: 99201, 99202, 99203, 99204, 99205, 99211, 99212, 99213, 99214, 99215, 99304, 99305, 99306, 99307, 99308, 99309, 99310, 99315, 99316, 99318, 99324, 99325, 99326, 99327, 99328, 99334, 99335, 99336, 99337, 99339, 99341, 99342, 99343, 99344, 99345, 99347, 99348, 99349, 99350, 99354, 99355, 99381, 99382, 99383, 99384, 99385, 99386, 99387, 99391, 99392, 99393, 99394, 99395, 99396, 99397, 99401, 99402, 99403, 99404, 99406, 99407, 99408, 99409, 99411, 99412, 99374, 99377, 99379, 99380, 96110, 99050, 99051, 99053, D0145,
