Respite Care Program Caregiver(s) Information Letter

Thank you for your interest in the Respite Care Program at the State of Connecticut Department of Veterans Affairs (DVA), Sgt. John L. Levitow Health Care Center (HCC). The Respite Care Program offers the opportunity for caregivers of Veterans to have temporary relief from their duties for a scheduled period of time. This is a short-term program in which the Veteran is provided up to **twenty-eight (28) days or less (minimum of 5 days)** of respite admission per one-year period starting with the first day of the **Trial Respite Admission**.

Trial Respite Admission:

- Prior to and, separate from a Respite Care Admission a three (3) day trial period is required to assess and ensure that the HCC is able to meet the needs of the Veteran. These are scheduled from Tuesday –Thursday.

If the HCC determines the Veteran cannot be cared for due to behavioral or other reasons not in the control of HCC, the Primary or Alternate Caregiver must take the Veteran into their care immediately. The HCC Admission Coordinator will discuss alternative respite options that you may pursue in the community and at the time of discharge will advise whether the HCC is potentially an appropriate facility for a future Respite Care Admission.

If the Trial Respite period is successful, a Respite Care Admission may then be scheduled by contacting the HCC Admission Coordinator who will determine the availability of a Respite Care bed. If a Respite Care bed is not available to meet the Veteran's needs, the HCC Admission Coordinator will discuss alternative respite options that you may pursue in the community.

To apply for Respite Care Admission, which includes the Trial Respite Admission, the following documents must be submitted and approved by the HCC Admission Committee before a Veteran may be accepted into the Respite Care Program:

- Acknowledgment of review of Caregiver(s) Information Letter to be completed by Primary Caregiver.
- Acknowledgement of Fiscal and Personal Responsibility for Veteran to be completed by Primary Caregiver.
- A complete Respite Care Program Application to be compiled by Primary Caregiver that includes:
 - **Annex A** - Caregiver/Veteran Questionnaire to be completed by Primary Caregiver (This is necessary for the caregivers at HCC to understand the Veteran's preferences and his/her daily routine).
 - **Annex B** - History and Physical to be completed by a primary care physician within ninety (90) days of submission of application.
 - **Annex C** - Current Medication List to include all prescriptions and over the counter (OTC) medications. (This is critical information as some medications may not be available through the VA requiring advanced healthcare planning with the Primary Caregiver.)
 - **10-10EZ** – Application for Health Benefits
 - **DD214** – Report of the Veteran's Discharge/Separation from the Armed Forces of the United States

These documents must be received and approved prior to the Trial Respite Admission date. It is the Primary Caregiver's responsibility to ensure that all information provided is accurate and all documents are submitted in a timely manner. Upon receipt of the above documents the Admission Committee will determine if the HCC is able to provide Respite Care to the Veteran. You may send the completed documents via US Mail or facsimile to the HCC Facility. If you need assistance or have questions, please call 860-616-3733.

The Primary Caregiver **MUST** accompany Veteran throughout the Trial and Respite Care Program admission process unless specific permission has been given by the HCC Admission Coordinator to waive this requirement. The Primary Caregiver must be present until the Veteran is admitted into the Trial and Respite Care Program at which time the nurse will inform the caregiver that he/she may leave.

With the Respite Care Application you must provide copies of the Veteran's insurance cards, 10-10 EZ, and DD214. If the Veteran has or is subject to a Power of Attorney, Conservatorship or Advance Directives, such as a Health Care Proxy and/or Living Will, copies of all such documents/orders must be provided to the HCC after approval of admission but at least five (5) days prior to the date of admission to be included in the Veteran's record.

The Veteran will be discharged from the Respite Care Program within the length of time specified by the Primary Caregiver which shall not exceed twenty-eight (28) days in any one year period. If the Primary Caregiver is unable or unwilling to resume the Primary Caregiver role for the Veteran a written plan of care for the Veteran must be presented at the time of admission. *Pursuant to State of Connecticut Department of Veterans' Affairs (DVA) Regulations this plan should be "other than long-term admission to a departmental service, activity, or program."* It is imperative that the **Veteran is dropped off and picked up no later than 10:00 a.m. on the confirmed dates of admission and discharge.** Please follow this rule as it provides the staff time to prepare for the next admission. If an unanticipated situation prevents pick-up or drop-off by 10:00 a.m., please notify the HCC Admission Coordinator or nurse station immediately.

In the event the Veteran's stay in Respite Care Admissions exceeds the twenty-eight (28) day limit set by Connecticut Regulations of State Agencies Section 27-102l(d)-108(c)(3)(B) then charges will be assessed beginning on the 29th day of stay. You may contact the Billing Office at 860-616-3646 or 860-616-3644 for current daily rate charges. If the **unforeseen exceptional circumstance** should result in the Respite Care becoming a regular long-term placement then compliance with all applicable state statutes governing DVA with respect to Medicaid Title XIX **will be followed and enforced.**

By signing below I affirm that I have read this Caregiver(s) Informational Letter and understand and agree to follow the information, requests and requirements set forth herein in consideration of the Veteran in my care being considered for admission to the HCC Respite Care Program.

Respite Care Program **Acknowledgement of Fiscal and Personal Responsibility for Veteran**

I have read and signed the Respite Care Program Caregiver(s) Information Letter. I understand that the Veteran in my care is being considered for approval to participate in the Respite Care Program of the State of Connecticut Department of Veterans Affairs (DVA) a period of not more than twenty-eight (28) days per one-year period beginning with the first day of the Trial Respite Admission. I understand that the Respite Care Program is a short-term program and that the admitted Veteran is to be discharged to my care or a designated alternative caregiver upon completion of the respite care period. I understand that there is no charge for this program, but that I must provide the requested financial information so that the DVA may be reimbursed Federal Per Diem costs.

I understand that in the event, the Veteran's medical condition changes while in the Respite Care Program and warrants an ambulance transport to an outside hospital/facility, any charges incurred for the ambulance and any outside healthcare provider are the responsibility of the Veteran or his/her estate.

I agree that in the event the Veteran's stay in Respite Care Admissions exceeds the twenty-eight (28) day limit set by Regulations of State Agencies Section 27-102l(d)-108(c)(3)(B) then charges will be assessed beginning on the 29th day of stay. I understand that if the Veteran becomes a regular long-term placement then compliance with all applicable state statutes governing DVA with respect to Medicaid Title XIX will be followed and enforced.

I agree that in consideration for the Veteran's admission to the Respite Care Program if, during the Trial or Respite Care Admission period, the Veteran can no longer be cared for at the HCC for behavioral or other reasons not in the control of HCC that I, the Primary Caregiver, the designated Alternate Caregiver or a family member, whom I have notified of their responsibilities, must be available and agree to take custody of the Veteran upon notice by the DVA.
