**Connecticut Department of Veterans Affairs honors Nurses during  
National Nurses Week 2023**

National Nurses Week is May 6 – 12, 2023. This is our opportunity to acknowledge and recognize the incredible role all Nurses and particularly our Nurses here at the Connecticut Department of Veterans Affairs (DVA) play every day in caring for others. The theme for this year's National Nurses Week is "You Make a Difference."

Please join me in thanking our DVA nursing staff for the heartfelt care they provide to our Veterans every day at the SGT John L. Levitow Healthcare Center and at the Veteran Outpatient Clinic, in the Residential Facility. You absolutely make a Difference!

Sincerely,

A handwritten signature in blue ink that reads "Joseph D. Danao II".
