RE: FIC 83-122

Dear Ms. Haggett:

In a letter dated June 7, 1983, I filed a complaint with your Commission which was acknowledged in your letter of June 13, 1983 and docketing this complaint as listed above.

I have received the enclosed material from Mr. Alan Schmoll, President, Hamden Legislative Council. Included is a document which I had sought, and having received this, I see no reason to pursue my complaint.

Please accept this letter as formal notification of my withdrawing the above referenced complaint. Thank you for your attention and cooperation.

Very truly yours,

Walter F. Denton
