FREEDOM OF INFORMATION
COMMISSION

Dear Ms. Sponzo:

I have received on February 1, 1984 a notice that the Commission has recorded my recent complaint (FIC 83-236) as "withdrawn." While it is, in fact, my intention to do so at this time following a settlement agreement with the University of Connecticut, I am concerned that my complaint could be listed as "withdrawn" without any prior communication from me to that effect.

For the record, however, as of this date you may consider FIC 83-236 withdrawn.

Very truly yours,

Edward R. Purcell
Executive Director
