Dear Sir:

I have requested a report entitled,  
"Visiting Committee Evaluation Report  
J. M. Wright Regional Vocational  
Technical School - Stamford, Conn.

May 2-5 1983"

by

New England Association of Secondary  
Schools and Colleges.

Re Mr George Zitney - Director of J. M. Wright  
Technical School, a state board of education  
employee, has refused to allow me to have  
a copy of the report. I believe it to be a  
public document or should be!

Please help me to go forward with  
this problem.

Sincerely yours,  
Roland Ursone
