FREEDOM OF INFORMATION COMMISSION
OF THE STATE OF CONNECTICUT

In the Matter of a Complaint by

Report of Hearing Officer

Michael Edwards,

Complainant

against

Docket #FIC 2011-554

Commissioner, State of Connecticut,
Department of Correction; and State of
Connecticut, Department of Correction,

Respondents

August 1, 2012

The above-captioned matter was heard as a contested case on July 31, 2012, at which time the complainant and the respondents appeared and presented testimony, exhibits and argument on the complaint. The complainant, who is incarcerated, appeared via teleconference, pursuant to the January 2004 memorandum of understanding between the Commission and the Department of Correction. See Docket No. CV 03-0826293, Anthony Sinchak v. FOIC, Superior Court, J.D. of Hartford at Hartford, Corrected Order dated January 27, 2004 (Sheldon, J.).

After consideration of the entire record, the following facts are found and conclusions of law are reached:

1. The respondents are public agencies within the meaning of §1-200(1), G.S.
2. It is found that, by letter dated September 24, 2011, the complainant made a request to the respondents for a copy of "the legal call log book for [the] month of September Block 3 East. Only days with my signature."
3. By letter of complaint dated October 4, 2011, and filed October 6, 2011, the complainant appealed to this Commission, alleging that the respondents violated the Freedom of Information ("FOI") Act by failing to comply with the request described in paragraph 2, above.
4. It is found that, by letter dated January 3, 2012, the respondents informed the complainant that "there are no documents found responsive to your request."
5. Section 1-200(5), G.S., provides:

"Public records or files" means any recorded data or information relating to the conduct of the public's business

prepared, owned, used, received or retained by a public agency, or to which a public agency is entitled to receive a copy by law or contract under 1-218, whether such data or information be handwritten, typed, tape-recorded, printed, photostated, photographed or recorded by any other method.

6. Section 1-210(a), G.S., provides in relevant part that:

Except as otherwise provided by any federal law or state statute, all records maintained or kept on file by any public agency, whether or not such records are required by any law or by any rule or regulation, shall be public records and every person shall have the right to (1) inspect such records promptly during regular office or business hours . . . (3) receive a copy of such records in accordance with 1-212.

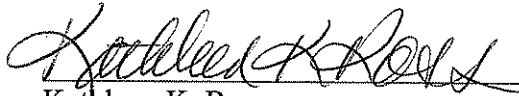

7. Section 1-212(a), G.S., provides in relevant part that “[a]ny person applying in writing shall receive, promptly upon request, a plain, facsimile, electronic or certified copy of any public record.”

8. It is found that legal call log books are typically maintained by the respondents. It is further found that the respondents conducted a thorough search for the records, described in paragraph 2, above, and that such search did not produce the requested records. It is found that the complainant did not receive the letter, described in paragraph 4, above, from the respondents, prior to the hearing in this matter.

9. It is concluded that the respondents did not violate the FOI Act as alleged in the complaint.

The following order by the Commission is hereby recommended on the basis of the record concerning the above-captioned complaint:

1. The complaint is dismissed.
