

**Connecticut Department of Public Health Schedule For
In Process Required School Immunizations**

Pursuant to Conn. Gen. Stat. § 10-204a(a), Connecticut immunization requirements for school enrollment require that students whose initial immunizations have been given but additional required immunizations are in process are to submit a certification from the student's physician, physician assistant, advance practice registered nurse or local health agency that the additional immunizations are in process in accord with guidelines and schedule specified by the Commissioner of Public Health.

In accord with Conn. Gen. Stat. § 19a-7f(a) and § 10-204a(a), the schedule for such additional required immunizations shall comply with the minimum interval time frame for the required immunization set forth by the [Centers for Disease Control and Prevention](#) as it may be revised from time to time, **but, in addition, shall be administered no later than 30 days after said minimal interval time period has occurred.**
