Supporting a Self Determined Life!

Self Directing Supports & Services

Employer of Record / Sponsoring Person Responsibilities
Individuals who choose to self-direct their services must also understand the important roles of the Employer of Record and Sponsoring Person, and how to best fulfill employer responsibilities.
A Sponsoring Person may be needed to understand, sign, and carry out the responsibilities identified in the Self-Direction Agreement. The sponsoring person may not be a paid employee of the person they sponsor. They serve as a “helper” in the process of Self Directing services & supports.
The Employer of Record (EOR) is responsible to have a tax ID number officially assigned. (The FI will assist with this.) The EOR is many times also considered to be the Sponsoring Person.

The EOR may not be a paid employee of the person they sponsor.
What is the Employer of Record / Sponsoring Person Responsible for?

- Reviews and signs the Agreement for Self Direction, and assists in the hiring process.
- Reviews and signs the Employee/Employer Agreement Form.
- Signs employee timesheets, and ensures that they are accurate and reflect the waiver services as described in the Individual Plan.

Steps to Self Direct
The Self-Directed Support Agreement is the tool that DDS uses to ensure that individuals who choose to self-direct their services fully understand their employer responsibilities.

- This agreement identifies what supports the person may need to effectively implement Self Directed Supports.
- If adequate supports are not identified in the Self-Directed Support Agreement, DDS will not authorize self directed supports.
What does the Agreement For Self Directed Supports look like?

You must be able to meet the responsibilities listed below. If you are not able to meet these responsibilities independently, you must have additional support identified in the individual Plan for the areas where support is needed.

Self Directed Support Agreement

As an individual receiving Self-Directed Supports and/or the sponsoring person for Self Directed Supports, I agree to abide by the following Department of Developmental Services requirements:

- To enroll in the DDS Home and Community Based Services Medicaid Waiver.
- To maintain Medicaid eligibility while participating in the DDS Home and Community Based Services Medicaid Waiver.
- To meet all documentation requirements that the department requires for self directed services.
I agree to stay within the DDS budget allocation established for my supports and services. If for any reason I exceed my DDS budget, I understand I am financially responsible for the overage.

I agree to require my staff to cooperate and provide requested information pertinent to any investigation concerning services and supports being provided through this DDS Self Directed Support Agreement.
All payments by the Fiscal Intermediary must be made directly to the provider of the service. Third party payments and advanced payments are not allowed. The Fiscal Intermediary will only make payments for services in the budget authorized by DDS. (Prior Approval)

Any purchase of supports, services, or goods from a party that is related to me through family, marriage, business association or a consensual relationship must be prior approved by DDS.
-Budget adjustments are limited to a maximum of one time per quarter. (Jan-March, April -June, July - September, October - December) and are only for a change in the supports and services that are included in the Individual Plan.

- All employees I hire must meet the DDS pre-employment requirements prior to their hire date and complete the DDS required trainings within 90 days. (CDS Terms)
All supports and/or services provided by a family member must be reviewed through the Family Hire process. A family member/relative/significant other may not be hired when they: are the legal guardian of the individual; are the legally responsible relative of the individual, are the employer of record, are the parent of a child under 18 who is receiving the service (up to age 21 for VSP parents). No exceptions shall be made to these restrictions on who may be hired by individuals who self-direct their services.
-Funds held by the Fiscal Intermediary that are not expended within the budget period are returned to the Department. Utilization Reviews are conducted by Central Office & CM’s.
Funds allocated by the department are only to be used for the direct benefit of the person receiving the allocation. Indirect (non face-to-face) services are not allowed unless specifically identified as an indirect service in the waiver manual or in the Individual Plan. Funds allocated by the department are only to be used for services identified in the Individual Plan and cannot be used for any other supports or services unless included in the Individual Plan. All supports must be provided and recorded on each employee’s timesheet according to the definitions for each service type.
Three bids are required for items, equipment, or home and vehicle modifications over $2500.

To enter into an agreement with a Fiscal Intermediary who is under contract with DDS.

To actively participate in the ongoing monitoring of supports and services and to participate in the department’s quality review process.
Any special equipment, furnishings, or items purchased under this agreement are the property of the service recipient and will be transferred to his or her new place of residence or day program should the person move or be returned to the state when the item is no longer needed.
To review and follow the DDS False Claims Act Policy provided by the Fiscal Intermediary.

I acknowledge that the authorization and payment for services that are not rendered could subject me to Medicaid fraud charges under state and federal law. Breach of any of the above requirements with or without intent may disqualify me from self-directing-services.
I acknowledge that the department may terminate funding for any employee who violates any of the following work rules:

- Commits any acts of physical, sexual verbal, or psychological abuse or neglect of a person with disabilities;
- Demonstrates abusive, immoral, indecent, or racially derogatory conduct toward consumers, family members, coworkers, or members of the public;
commits any act of discrimination or harassment included but not limited to those based on religion, race, color, ancestry, national origin, sex, age, physical disability, mental disability, or sexual orientation;

uses an individual’s resources for personal gain;

brings illegal drugs or alcohol to work and/or is under the influence of illegal drugs or intoxicating liquors while at work;
brings firearms or weapons to work;
commits theft of funds or other property from a consumer, family or coworker;
is convicted of a felony.

To notify my case manager if I am no longer able to meet the department’s requirements for Self-Direction.
Individuals who chose to self direct their services must select a Fiscal Intermediary (FI) to help them manage their employer responsibilities, and manage their budget.

FI’s help individuals with the following tasks associated with the Budget:

- Complete state and federal employer forms, pay staff, purchase Worker’s Compensation, ensure tax compliance, and prepare end of year reports.

- They also perform background checks on new employees, ensure employees complete required training, pay vendor bills, and assist individuals to stay within their budget.
Information that Fiscal Intermediaries Provide:

- **EMPLOYER START-UP PROCESS**-One of the most important tasks that FIs help individuals do is to complete all of the paperwork that is needed to become an official employer with the state and federal government. The FI will provide timesheets, employee training materials, tax materials, expense reports and other information.

- **BASIC EMPLOYMENT LAWS**-The FI can assist the individual to understand basic employment law before they begin hiring employees. This includes information regarding discrimination, disability laws, harassment, and wrongful termination.
What is the DDS CM/Broker’s Role in Creation of the Individual Budget?

- CM/Brokers assist individuals & teams to identify support and service needs, and document this information in their Individual Plan and in their budget.

- CM/Brokers also negotiate for needed funds, and are responsible for creating and designing each budget.

- CM/Brokers ensure sure that each line item adheres to the overall allocation, and the waiver Cost Guidelines/Cost Standards.
What is the Individual Budget?

The Individual Budget is a “database” document that notes the following information:

- The services and/or supports that are being purchased or provided. These are referred to as “Line Items”.
- The amount, duration, and cost of the services and/or supports being purchased or provided.
- The cost totals of each line item and the total of the overall budget.
- The date of the budget period, regional approvals, and identified Fiscal Intermediary.
- Comment Section-Explanations regarding specific line items.

What are Cost Standards and Cost Guidelines?

**Cost Standards:** The cost standards were created to let individuals know **what** can be included in an IP-6 Budget. The cost standards provide parameters to ensure appropriate use of state funds and that expenditures submitted for federal reimbursement are approved in the Home and Community Based Waivers.

**Cost Guidelines:** The cost guidelines outline the rates and cost caps that DDS and the Medicaid Waiver will allow payment for when looking at each service or support in the IP-6 budget. Sometimes these rates change, so it is important that the Broker uses the most recent version of the waiver rates and cost guidelines when helping an individual create a budget.
The Individual Budget Review

- Budgets are reviewed and updated annually and as needed by the CM/Broker (based on the continued or changing needs of the individual). This process is seamless when there are no changes from the previous year. This is referred to as a “Rollover”.
Changes to the Line Items Noted in the Individual Budget?

- **Adjustments:** Line items may need to be changed based on the changing needs of the person, but the bottom line of the allocation remains the same.

- **Amendments:** At times, an individual may need to request additional funds to support their needs. Additional funding must be requested, approved, and entered into the overall allocation by PRAT; then, the CM/Broker must enter the additional supports into the Individual Budget.
Individual Budget Authorization Process

- **Approval Process** - The budget is approved by a Case Management Supervisor, then finally authorized by the DDS Resource Management Division. (This division manages and monitors the quality of all services that are purchased or provided through DDS funding).

- **Prior Approval** - Expenses outside of the Cost Standards and/or above the set rates, will not be authorized in an Individual Budget without prior approval and should only be considered when the supports do not fit into our waiver definitions. The CM/Broker may also need to help individuals negotiate an increase in an allocation and justify a requested expense. All of these things must occur before an Individual Budget can be authorized.
Steps to Hiring & Managing Staff

5. Managing Staff
Finding Employees

- One of the most challenging aspects of being an employer is finding good employees!

Recruitment Techniques

- Word of Mouth
- Local Flyers (Colleges, places of worship, libraries, etc…)
- Paid Advertisements
- Internet Employment Services (“Rewarding Work”, “Care.com” or other employment services such as “Monster.com”).
