## **JUVENILE POST CONVICTION**

Dear \_\_\_\_\_,

Your case is being referred from the lawyer who has been working with you to a lawyer in the Post Conviction Unit. From this time on, you will have two lawyers working together to help you out. This is being done because it is impossible for your present lawyer alone to work with you when you are in placement since they have to be in court every day. The lawyers and the social workers in the Post Conviction Unit will meet with you while you are in placement. They will be involved with you until your commitment expires.

You should be meeting with someone from the Post Conviction Unit within the next few weeks. You should have a copy of their business card. If you have any problems, please call them.
